

The Foundations to Home Maintenance Working With Wood

This course is designed for men and women looking to learn the skills necessary to complete routine carpentry jobs around their home and save themselves money on expensive tradesmen.

We assume that all delegates are beginners and come with no previous carpentry experience.

Course Date Please contact us for the next available course date

Course Location Unit 4 Lower Gower Road, Royston, Hertfordshire, SG8 5EA

- Do you want to put a stamp on your home?
- Do you want to save money on work by doing it yourself?
- Save money, have fun and learn new skills with **BuildTrain**.

Space on this course is limited and early booking is essential

Our foundations to home maintenance courses are “hands-on” training opportunities aimed at those new to DIY who are looking to learn the necessary skills to maintain their home without the need to turn to tradesman for routine jobs. You will be getting involved in practical sessions from the start the course and will be amazed at the speed at which you can pick things up. The course will cover the basics in the following areas; however the level of detail will be determined by the group’s wishes:

- Measuring, cutting and scribing in skirting and decorative mouldings
- Mitre cutting architrave
- Internal and external corners
- Fitting hinges and locks
- Hanging a door

You will get dirty so working clothes are essential. Changing facilities are available on site so please arrive promptly to ensure the course starts on time.

Course Cost £95

This includes all tuition, materials and access to tools. Safety footwear is a legal requirement for attending the session. We do have some available for loan or sale onsite. If you would like to purchase footwear just contact us no less than 14 days ahead of the course and we can arrange this for you.

How to Apply

Full pre-payment of course fees is required to enrol you on the course.

Non-attendance will not result in a refund being offered.
