Dear Friend,

Thank you for joining our mission and collecting shoes for those in need! We know that this required a lot of effort and commitment on your part and want to assure you that your work will help us disrupt the cycle of poverty. It is only because of compassionate people like yourself that we are able to achieve our mission of creating sustainable jobs and providing relief through the distribution of shoes and clothing around the world.

We are truly fortunate to have friends like you. We want to assure you that your donation will enable individuals in the United States and around the world to step out of poverty. Your generosity is greatly appreciated and your personal involvement with our cause is tremendously important. You should be proud of your humanitarian efforts. We invite you to keep our mission in mind should the opportunity arise to continue to donate to our cause.

Thanks again for helping us with our mission of **"Wearing out Poverty"**™!
