## Missionary Moments

### WEEK OF DECEMBER 11, 2016

#### **Morning: Breaking Down Barriers among the Deaf in East Asia**

[Deaf] The Deaf in East Asia face a difficult road in their search for Christ. Barriers crop up daily, causing problems for missionaries who are trying to share the gospel with millions of Deaf in this part of the world. Some Deaf believe Christianity has hundreds of difficult rules, making it a boring and confusing way of life. Many families also put a great deal of pressure on Deaf adults to conform to the traditional religious practices to gain financial support. Accepting Christ means losing family, home and financial support. Pray for our workers in the Deaf affinity group, as you support them with your giving through the Cooperative Program.

#### **Evening: Church Planting Brings Transformation**

[Washington] TOBIN and CHARISSA PERRY have a vision for seeing their neighborhood of South Park in Seattle transformed by the power of the gospel. As preparation for planting a church in their neighborhood, Tobin served last year as a church planting intern at Epic Life Church. Your gifts make it possible for the Perrys to be involved in their under-served neighborhood and share the love of Christ with people who may not hear it otherwise. Ask God to open the hearts of those in the South Park neighborhood to the good news about Jesus.
