

A Book of Proverbs Part 3

by Brandon Barthrop

You know why God had Ezekiel cook his food with cow turds? Because God enjoys burning up all your bullshit!

The Gospel of Glory is Pure Laughter!

Just come drunk and empty headed, enjoy the Father and go on auto-pilot.

Emptying self manifests Himself.

A prayer: "Father, I release the glory into the gateway of revelation to flood my conscious, subconscious, and..."

If you hurt or hate anyone, you are doing it to yourself, for everyone on earth is closely DNA related.

True Christianity is radioactive glory poisoning.

Don't expect your breakthroughs to be celebrated on earth, but in heaven. For few can see and understand your experiences. Heaven rejoices!

Everything God says to you will be incomprehensible until your mind is spiritual. Your mind becomes spirit as you lose earthly logic.

You are limited to the potential of your parents DNA until you accept Jesus into your heart, then the possibilities become endless.

It's not that you got the whole bible memorized. It's that you're the word made flesh.

Everything you experience in the spirit will absorb into your soul. Unless your heart is pure it will corrupt you. A pure heart is kingly.

Your words are weapons. Do you speak butter knives or juggernaut swords? The weight of your words reveals the size of your spirit.

The distance you throw your mind is the measure of your holy ecstasy.

Iron sharpening iron refers to deadly swords that will cut your head off with one swipe. I love glory sharpening amongst brothers. Get sharp!

1 Corinthians 10:1 says, "they were all under and protected by the cloud." So as you manifest as a cloud of glory your city will be protected by you.

Spirit freedom bitch slaps souliness continually.

The Holy Spirit is the greatest pleasure on earth. It's that sapphire sea flowing from within thee, setting captives free with holy ecstasy.

A glory being is a purifying machine that turns the dirty into the clean.

When the underground church in America takes the stage the expression of Christianity will shift from do-do to drinky-drink. Paradise!

True evangelism is getting everybody really high, and teaching them how stay there, and increase their high on the glory.

No sob stories. We all have gone through a measure of hell on earth. Just overcome.

Even though you're fugly, God thinks you're snuggly.

Sadly, most Christians don't know Jesus at all, but a counterfeit Jesus named Jezebel. Your joy is evidence of knowing one, or the other.

A lack of physical intoxication on Holy Spirit glory is sure evidence your church is irrelevant.

The more you glow, the more your sovereignty will show.

This generation is on autopilot, aka great grace. Father will glorify everything by sovereignty and nothing can stop it; a galactic baptism. Our entire galaxy is flying through space at 900,000 mph. Every day now the light will grow stronger to remove all darkness until we arrive.

There is no introvert nor extravert for a spirit being. You can shape your character to become omniverted by bravery and adventure.

Real Christians are gayer than a kindergarten class on a field trip to Disney Land!

Nothing can prepare the soul for what is being released from your spirit. Just throw your mind outside the fence of offense and party!

Revival has been permanently placed inside you! So why are you looking for it on the outside?! Don't be bewitched! Heaven is in you!

Today be born again, again. Let your spirit soar on the heights with the angels of the Lord. For you have overcome the world!
