TCS 3.2MP HD Vandal Proof Night Vision Dome Camera

Providing detail not seen on conventional surveillance cameras, the TC-IP Camera 3.2M features a 3.2 megapixel CCD that delivers superb video image quality. Through the use of progressive scan CCD sensor, the TC-IP Camera 3.2M is able to reproduce ultra smooth video images of fast moving objects without any pixilated edges. With high definition up to 2048 x 1536 and up to 10 times higher resolution than conventional cameras and 40 times higher than "Costco" cameras, the TC-IP Camera 3.2M allows users to monitor critical areas with greater detail than ever.

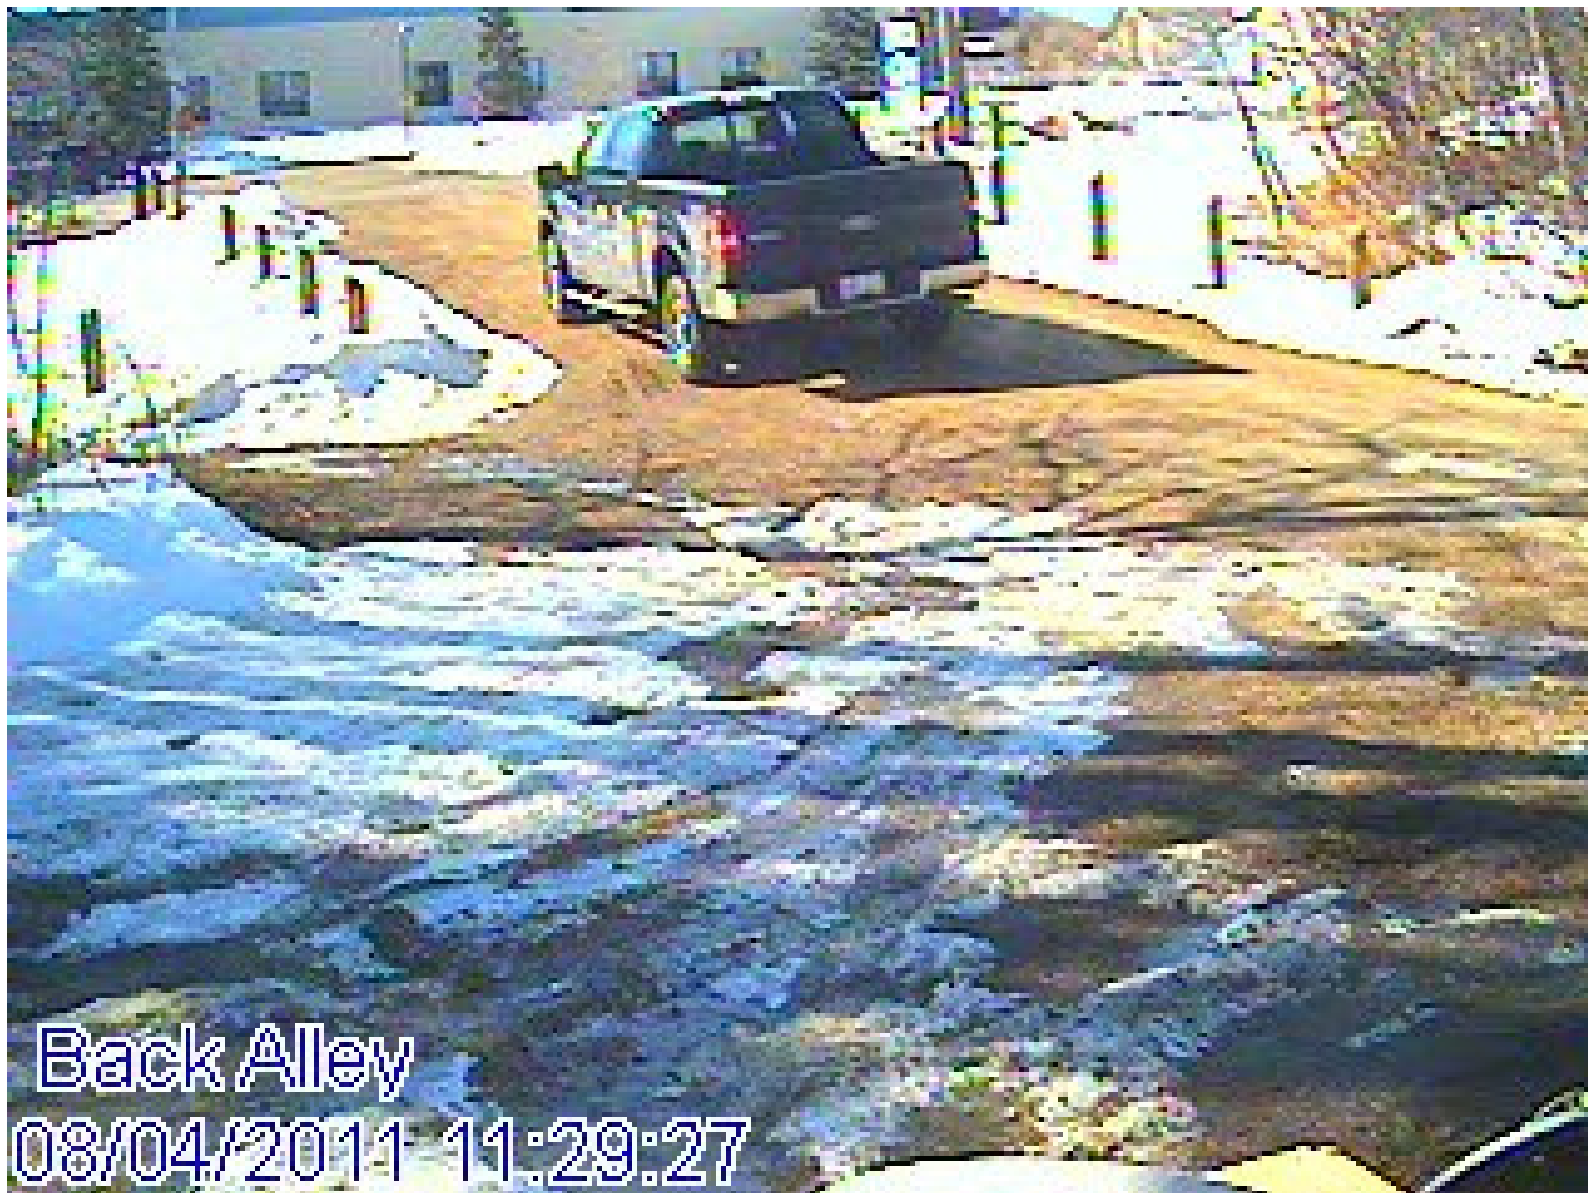

Specifications

- 1/2.5" progressive scan CMOS with H.264 Compression
- Resolution of **2048 x 1536** (10 times Standard Cameras, 40 Times "Costco" Cameras)
- Vandal Proof
- Waterproof and Weather Proof - IP66 compliant
