

# Veteran Pet Therapy and Volunteer Training Sessions

Nurturing the healing powers of the human animal bond for our military veterans.

Animals are a medication without side effects. Pet Therapy can provide benefits in the areas of Mental Health, Physical Health and Education.

The BJ Chimenti Angel Fund for Veterans and Pets invites veterans and their families to participate in 1 hour group sessions with our Therapaws Pet Therapy teams and to learn more about our Designated Veteran Volunteer opportunities.

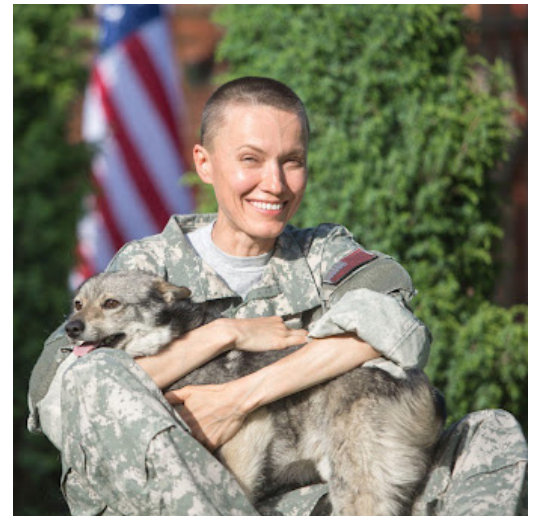

Questions? Email:
