## The Crank Case

Wow, the Fall Colors tour the club went on a couple weekends ago was fantastic. There were 17 cars that made the trip. Dick and Debbie Collins met the group in Woodland Park and a couple stragglers (no names will be mentioned) were a little late and caught up with the group in Cripple Creek. A street festival was going on, so it gave everyone the opportunity to stretch their legs and spend money on something other than the One Arm Bandits. The bathroom stop at the Guffey City Library was well needed Reed! Yup, there is a city Library in Guffey, Colorado. Believe It or Not! The weather couldn't have been any better for a Fall cruise through the mountains. Everyone seemed to enjoy themselves and had an opportunity for some good old comradeship during the tour and lunch in Canon City. Thanks Reed for setting this very successful and well attended event up for the club.

Looks like we are close to having at least one volunteer for each of the Board and Committee positions. I appreciate everyone who wants to continue to make our club a fun and friendly group of Mustang enthusiasts. However, the club still needs a volunteer (or two) to manage the Judging for the Rocky Mountain Mustang Roundup. Any takers?

See you all at the October garage tour and club meeting Saturday, October 21<sup>st</sup>, starting at 3:00 PM at Jeff & DonaLu O'Neils home, then cruising on to my home around 4:00 PM, then on to IHOP on Stetson Hills for the club meeting.

## Club Meeting Minutes (16 September)

The meeting was called to order at 1:04 PM by President Neil Case.

There were 4 new members present.

The minutes from the August meeting were read and approved.

The treasurer's report for August was read and approved.

### Old Business

Neil thanked the members who participated in the Old Colorado City Customs and Classics Car Show. He also thanked Jeff O'Neil for setting up the club dyno day.

### New Business

Jeff O'Neil asked if the members would be open to allowing non-members to post on the club's Facebook page. The monitors would still have control of the content that would appear on the page but, it could be an opportunity to get new members, to find out about other things that are going on in and around Colorado Springs, and give the club events more exposure. A motion was made, voted on and the club page will now be open to non-members.

The fall color tour will be on September 30<sup>th</sup> starting at 9 AM. The club will meet in the Safeway parking lot on West Colorado Avenue. The tour will take about 2 and half hours with a stop in Cripple Creek and lunch in Canon City. Reed will email out the details.

October 21<sup>st</sup> is the date for the club garage tour. The tour will start at the O Neil's and then travel to the Case's and conclude with the club meeting at the IHOP at Stetson Hills.

The club has been contacted by the Manitou Springs Chamber of Commerce to see if we would be interested in teching the coffins for the Emma Crawford Coffin Race. The date is October 28<sup>th</sup> starting at 9 AM. There is a need for 6 to 8 members to do the inspecting.

Dave Brown has volunteered to audit to club's books and Cathy and Marc Short have volunteered to call the membership to see if anyone is interested in running any of the board positions.

The club Christmas party will be held at Sarges's Grill on December 16<sup>th</sup> from noon to 3 PM. The gift exchange will be the same as last year with members having the option to donate toys for children who are less fortunate. Bryan Lowry challenged the members to bring gifts for both boys and girls.

# Hoofbeats

Neil asked the membership for permission to donate \$200 to Care and Share. It was suggested that the amount be changed to \$300. A motion was made, voted on, and passed for this to happen.

There is still a need for a member to back up Greg Perry on the Rocky Mountain Mustang Roundup committee.

Neil thanked Mark Barton for providing the food, cake, and location for the birthday party.

Mark Barton said would like to hold an indoor event in December. He states that he wants the dealership to become more involved with the club and wants the club to feel free to use the dealership for any activities that the club would like to do.

The door prize drawing was held.

There was a motion to adjourn the meeting and it was passed. The meeting adjourned at 2:10 PM.

## Dick's Dialogues!

Hello again, it's that time of the month to pump out the latest RMMC news. I'd like to welcome our newest club members, Eric/Candace Everts (66 Coupe) and Steve/Vonda Fowler (04 Saleen and 00 Convertible). Steve/Vonda joined Chuck Durst and Michael/Michelle Bielby in representing the club, with their convertibles, at the Fountain-Ft Carson homecoming parade carrying the Queen and other homecoming royalty.

Sad news-our secretary Jim Prickett has been transferred to Virginia for two years; he and Elaine will be moving there but will keep be back after the two years. Congratulations, Jim, on your promotion to a Vice-President; and a special thanks for all your help as our secretary-you'll both be missed.

Kathryn Blacharski, Steve/Vonda Fowler, Jim/Dawn Guggenbiller, Chuck/Angela/Jordan Hoyle, Jim/Becky/Emily/Mary Nass, Jim/Elaine Prickett, Dave Reid (from Southern Colorado Mustangs-who hooked up with us at Westcliffe) and Debbie/I joined Mike/Jeannie Taylor who hosted a great Fall Colors Tour to Westcliffe, Bishop's Castle and Lake Isabel on Sep-

tember 25<sup>th</sup>. Those of you who couldn't come missed beautiful aspens; good fun and food (despite 20 of us and a big hunting party arriving all at once) and our own mini car show as the Stangs attracted lots of interest at Rancher's Roost; some who got all of the way to the top of Bishop's Castle; Lake Isabel; and a couple of obligatory rain showers; as we completed a really nice round trip of a little more than 200 miles. None of the cars missed a beat despite a rock from a passing truck doing in my windshield.

The October club event will be a Progressive Dinner on Saturday, the 23<sup>rd</sup>; see Jim Nass' detailed information (thanks for coordinating the activity) in this newsletter. Jim will also have information/instructions at the club meeting on the 16<sup>th</sup> at Maggie Mae's.

We've completed getting about 45-50 member car pictures, on the club website, and should have the 2005 club calendar for final approval at the meeting. A big thank you to Duane Sorlie for all his work on the website.

## Club Clothing

There are two sources of club clothing: Graffi-T's Screen Printing and More, and Lands' End. Graffi-Ts is located in the Springs and provides silkscreened clothing. Lands' End is available online and provides their clothing embroidered with the club's logo.

### Graffi-Ts

Graffi-T will provide club clothing that includes the Mustangers logo on the left chest and the running horses across the back. The long sleeve garments also include a left and right sleeve print. The colors that work best with our logos are: white, light grays, light blues, pinks, light greens, yellows, red, tans, and orange. The available styles are: sweatshirts, hoodies, long sleeve t-shirts, short sleeve t-shirts, and ladies v-neck t-shirts. A minimum order of 24 or more pieces in mixed styles, colors and sizes is required. In order to meet the minimum order quantity, the club accumulates individual member requests until the minimum quantity is met, then places an order. There are shirts available from previous club orders. Please contact Bryan Lowry about clothing currently in the club's shirt inventory.

### Lands' End

Rocky Mountain Mustangers stitched-logo apparel is available from Lands' End. Use this link [Lands' End](#) to access the club's Lands' End website to place an order. The logo is shown below. Clothing items include shirts, sweaters, blazers, jackets, and caps.:

The cost of an item is the cost to apply the logo to the item you select (\$8.50) plus the cost of the item itself, and shipping (typically \$9.95 for multiple items). There is no minimum quantity; orders may be placed for single items. The time from placing the order to receiving it is typically three weeks.
