Dear Mike,

We wanted to take this opportunity to thank you for the fine job you did with our office addition and remodel. We are enjoying our new space (especially that kitchen!). It was a pleasure working with you and your subcontractors and staff. We really appreciated the fact that we were always able to provide our customers service with very little disruption to our daily schedule. The staging of our job was remarkable and your team members were efficient and courteous to our staff and respectful of our clients.

Not only was there little disruption, but the job site was always clean and safe. You delivered the finished addition on time and, best of all, under budget! We cannot thank you enough for a job well done.

Warmest Regards,

Scot Hutchison, M.D.
