an agritourism provider has limited liability for an injury to, or the death of, a participant in agritourism activities at this location if the death or injury results from the inherent risks of agritourism activity.

Inherent risks of agritourism activities include risks of injury inherent to land, equipment, and animals as well as the potential for you to act in a negligent manner that may contribute to your injury or death, or for other participants to act in a manner that may cause you injury or cause your death.

You are assuming the risk by participating in this agritourism area.

You are responsible for your own safety just as you are at any other public use airport.

We are only offering guidelines as suggestions and you are not required to follow any of them.

All information we provide is created to give you safety guidelines for flying in and out of 4XA4 or participating during the event. Although the information contained within may make things go smoother, **none of it is mandatory**, you make your own choices.

You are assuming the risk by participating in this agritourism area.
