BORROW IT FROM OUR CHILDREN.

News & Announcements

Goodbyes are hard 😞

We say good bye to Miss Luigi this month. Luigi has been with us since May 2016 and we are going to miss her and her lovely self immensely!

We want to thank her for everything she has taught us, especially “Sharing is Caring”, we wish her all the best for her future endeavors, and we may see her from time to time as a substitute teacher.

What does that mean for our daycare? We are still fully covered with our teachers and ratio, and licensing, however we are looking to hire a new Support Worker – if you know of anyone who would make a good candidate – please have them email their resume to daycare@aboriginalmothercentre.ca

Science World Passes

We have been given passes for Science World to give to families who would like to attend Science World! Each pass is valid for up to 10 people and gives you the Speed Pass plus an additional discount on any Imax movies or other exhibits that cost extra. All we ask is that you use this pass for as many family or friends as possible at the same time (good for any incoming family and or guests) – they do not want to see only 2-3 people using the pass. And yes – we are using this pass to go on our field trip this month.

Let Lindsie know when you would like a pass and give me a list of the names attending so that I may add it to our list.

Enjoy!

New Friends!!!

We have new friends who have joined us this month! Please take your time to say hello and welcome in Eli and Serenity and their Grandma Christine, as well as Leo and his Mom, Liz.

Best of Luck Miss Luigi ❤️

Love,

Lindsie, Mia, Stacey, Kaddie, Lenore, and all the children here at AMCS Daycare ❤️

Themes and Curriculum

This month we are going to Science World, and all Teachers will be focusing on Science Activities, and experiments such as sounds, water and light. We will also be focusing on Spring and Animals.

Teacher Lenore is interested in starting to learn and teach some basic greetings and language concepts with the children. First, we would like to learn more about your child's ethnical backgrounds and heritage; If you feel comfortable to share any information, please feel free to have a chat with any teachers. Information that we are looking for would include language, cultural practice, foods etc.

We look forward to hearing your feedback!

March 15, AMCS Staff will be attending a Lateral Violence Workshop – AMCS Daycare will remain open, we will have 1 daycare staff behind with a sub. Any concerns or questions please refer to Lindsie.
