## Time to get ready for Recital!

Our second half of our season is now upon us! We are now preparing for our Annual Spring Recital at the Civic Center. So many exciting things will be happening over the next few months. We will try to make you feel as prepared as possible this year. Over the next few months our newsletters will contain important info for this event.

## SODC “Show the Love” Week

Our SODC “Show the Love” Week will be held February 11-16, 2018. During this week, wear your favorite red, pink and purple dance outfit. It can be a Valentine’s Day outfit or something with hearts. Students will show their love for dance this week. There will be surprises shared by the dancers on Facebook, Instagram and Twitter.

## Costumes

Costumes will be going out February 25-March 1, 2018. Please make sure your accounts are current to receive your costumes. We will not be able to distribute costumes to families that are not current. If you have an issue, please contact Miss Shifawn to discuss this matter. Thank you.

## SODC Studio Picture Day

Our Annual SODC Studio Picture Day is Saturday, March 10, 2018. A detailed schedule will be posted and passed out towards the end of February. There will be time slots scheduled. Be a little early, but do not be late. We are not able to hold pictures to wait for a dancer. We try our best to run on time, in the past we would wait for dancers and that would push back others. We cannot do that this year. We need to keep on schedule, we appreciate your cooperation. These photos are showcased in our Keepsake Program. You must attend these photos to be in the picture in the program. Lange Photographics does a wonderful job and has a fully functioning staff to pose the dancers and keep things moving. Parents are not allowed in the room. We will try our best to schedule so the parking lot doesn’t get too crazy ☺

## SODC Ticket Day
