AUCTION

This Monday, April 18th is our TUBER AUCTION dahlia meeting!!!! Always lots of fun dahlia tubers to bid on. There are some very desirable tubers that will be up for sale! If you have any that you want to donate for the auction, please contact either Marilyn or myself with their name, size, form and color, a picture too if you have one. New varieties or ones that you especially like, something that you feel others would love to have.

The first half of the meeting there will be a panel consisting of Marilyn, Don Filand and Bob Schroeder, regarding planting dahlias. How they do it, other helpful little hints as well.

The second half we will be having the tuber auction as well as another of Don's Fun Questions!

Please go to our website, washingtonstatedahliasociety.com, click on the "What's Happening" block, then click on the "Have you seen this" block on the lower right corner. A PDF document shows up. Click on the [2016April](#) and print out the questions. "Facts, Information and Trivia Quiz"

There will be a prize for the winner as well as lots of information!
