Are there any prerequisites?

You do not need any prior yoga experience or certifications. Our training program will teach you everything you need to know, from yoga poses to classroom management to trauma-sensitive practices. If you would like to register your training with the Yoga Alliance, you will need to take a 200-hour RYT program, but they can be completed in any order. Please read the Yoga Alliance RCYT registration requirements so you can make an informed decision about your participation.

Policies

- Minimum 6 participants to hold training.
- No refunds after start of training. We will issue a credit and/or provide make-up options.
- If we cancel or make a scheduling change that does not work for you, we will issue a 100% refund.
- After your application is submitted, you will be notified about your status by email. Once you have been accepted, you will receive a bill and your tuition balance is due via credit card (PayPal + 3% fee), cash, or check made payable to Yoga Learning Adventures. A non-refundable security deposit of \$350 will be due upon acceptance if balance is not paid in full.

What if I have to miss a training session?

You must complete all portions of each module in order to receive a certificate. However, we understand that life happens, so we will offer make-up assignments for up to 14 hours, including reading, watching videos, listening to podcasts, and completing additional practicum hours. You always have the option to join another group for the module that you missed during the next session if it is offered. Make up hours are due 1 year from the participant's start date.

How does the practicum work?

Think student teaching. Ideally, participants will observe and assist the trainer, then team teach, and finally independently teach yoga to children in varied settings, listed below. Participants will arrange other options if it makes more sense due to schedules, commitments, distance, etc. Alternative options include observing and assisting a local kids' yoga teacher or teaching yoga to individuals, small and large groups in your classroom or work. Participants have up to a year to finish the practicum from their start date.

Upcoming Schedule

- YLA Kids Yoga Classes, Tuesdays 12-1pm, Tuesdays & Thursdays 3:15-4:45pm, 4th Tuesday of the month 6-7pm (school year)
- YLA Kids Yoga Camps, Monday-Friday, 9am-noon (summer)
- YLA Family Yoga Classes, various days & times
- YLA Yoga in Schools, varied schedule, populations, and locations (mostly school year)

How does certification work?

The 95-hour children's yoga specialty certificate is an endorsement on a 200-hour yoga teaching certificate, although it does not matter the order in which they are received. You can take the modules separately but taking all 3 is required to register as a Children's Yoga Teacher through Yoga Alliance. After you've completed the 95-hour training, Yoga Alliance requires 30 hours of teaching children yoga before qualifying. After taking this coursework and the practicum, you will be qualified and prepared to teach yoga to children in a variety of settings, even if you do not have your 200-hour yoga certificate.

I'm on a Budget. Is there a Payment Plan for the 95-Hour Training?
