The failure of a Water User to pay water charges duly imposed shall result in the automatic imposition of the following penalties:

B. Non-payment by the 10TH of the month will be subject to a penalty of ten (10) percent of the delinquent account.

C. Non-payment by the 20th of the month will result in the water being shut off from the Water User’s property.

In the event it becomes necessary for the Authority to shut off the water from a Water User’s property for violation of the rules and regulations, a \$60.00 disconnection processing fee will be charged. After- hour reconnection is an additional \$100.00.

The foregoing notwithstanding, the Authority reserves the right to make or amend the by-laws or rules and regulations of the Authority from time to time, and the Water User agrees to abide by such changes.
