CHAIR'S CORNER

by David McGan

We are starting another Section Year with our new Section Leadership Committee (SLC) chomping at the bit to bring interesting activities to our Section 0915 members. Mike Soellner is taking over as the Arrangements Chair from Tom Watson, who is himself assuming the Chair-elect position. Mike and Tom are already voicing some great ideas in our SLC discussions. And Daniel Jochem is assuming the Audit Chair responsibilities. Welcome to these two new SLC members. We also have some others who have expressed interest in being actively involved in SLC endeavors, and we'll be sure to make room for them. There's always room for you, too.

Section Scholarship Returning – due to commitments of involvement by several of our SLC team, our \$500 Section 0915 Scholarship will return, to be awarded in May. Watch the website for the Scholarship Application coming early January. Deadline for submission of applications will be March 31, 2017. Any high school senior attending a school in the 0915 Section area is eligible to apply. And children of Section 0915 members get additional consideration. See the Scholarship application for details.

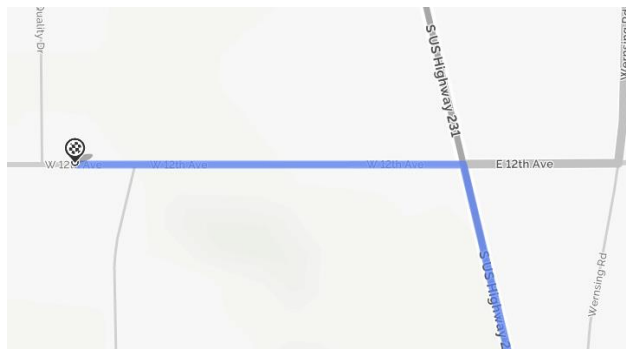

January Meeting – Rex Burdette, with Kimball will be our first speaker of the year. Rex will be speaking on the use of FMEA's. This should be a very informative presentation, especially since the new revision of ISO 9001 includes significant emphasis on Risk Assessment. And it should be a great tie-in to Mike Mazu's December presentation last month on variation. So make plans to join us on January 10th, at Kimball's Jasper Education Center in Jasper, IN. Check the email for meeting specifics.
