19 -----

46 II. Only a party affected by an Affidavit can speak and act for himself and is solely responsible for
47 responding with his own Affidavit of Truth, which no one else can do for him.

48 -----
49 6.THAT the lawful seizure, collection, and transfer of ownership of money or property must be effected
50 by means of a valid Commercial Lien.
51 -----
52 7. John Davis , I do hereby claim my rights as a Lawful Bloodline Native American from the Bill of
53 Rights that pertain to a Living Man/Woman and His/Her Bloodline.
54 -----
55 Amendment 1 - Freedom of Religion, Speech, and the Press Congress shall make no law respecting an
56 establishment of religion or prohibiting the free exercise thereof, or abridging the freedom of speech or
57 of the press, or the right of the people peaceably to assemble and to petition the government for a
58 redress of grievances.
59 -----
60 Amendment 2 - The Right to Bear Arms A well-regulated militia being necessary to the security of a
61 free state, the right of the people to keep and bear arms shall not be infringed.
62 -----
63 Amendment 3 - The Housing of Soldiers No soldier shall, in time of peace, be quartered in any house
64 without the consent of the owner, nor in time of war but in a manner to be prescribed by law. According
65 to "THE LAW", which DOES NOT MEAN Codes or Statutes , Administration rules and or regulation ,
66 but "THE LAW" MEANS ONLY The Declaration of Independence and its two dovetail documents of
67 "supreme laws of the land" (See Supremacy clauses 2 & 3 of Article VI and Marbury v Madison,
68 above) any law made, by any Congressmen or any President, or ruled in ANY Court, in violation of
69 ARTICLE I Section 8 clause 17, subsequent to THE EQUAL FOOTING DOCTRINE, (and/or exceeds
70 the eighteen "delegated" powers and SPENDING privileges granted to The President of The United
71 States of America, to both Houses of Congress and to The Supreme Court of The United States) both
72 pursuant to our Ninth and TENTH Amendment supreme laws of the land, AS ENUMERATED
73 UNDER ARTICLE I Section 8, is pure unadulterated Title 18 U.S. Code 2381 Capital Felony Treason
74 and thus anybody who makes a law in violation of, repugnant to, and/or against these supreme laws of
75 the land, without an Article V Amendment to The Constitution, is subject to hanging:
76 -----
77 Amendment 4 - Protection from Unreasonable Searches and Seizures The right of the people to be
78 secure in their persons, houses, papers, and effects against unreasonable searches and seizures shall not
79 be violated, and no warrants shall issue but upon probable cause, supported by oath or affirmation, and
80 particularly describing the place to be searched and the persons or things to be seized.
81 -----
82 Amendment 5 - Protection of Rights to Life, Liberty, and Property No person shall be held to answer
83 for a capital or otherwise infamous crime unless on a presentment or indictment of a grand jury, except
84 in cases arising in the land or naval forces, or in the militia, when in actual service in time of war or
85 public danger; nor shall any person be subject for the same offense to be twice put in jeopardy of life or
86 limb; nor shall be compelled in any criminal case to be a witness against himself, nor be deprived of
87 life, liberty, or property without due process of law; nor shall private property be taken for public use
88 without just compensation. Title 42 US Code Sec. 1983, Sec. 1985, & Sec. 1986: "Clearly established
89 the right to sue anyone who violates your constitutional rights. The Constitution guarantees: he who
90 would unlawfully jeopardize your property loses property to you, and that's what justice is all about."

92 Amendment 6 - Rights of Accused Persons in Criminal Cases In all criminal prosecutions, the accused
93 shall enjoy the right to a speedy and public trial by an impartial jury of the State and District Non-
94 corporation wherein the crime shall have been committed, which district shall have been previously

95 ascertained by law, and to be informed of the nature and cause of the accusation; to be confronted with
96 the witnesses against him; to have compulsory process for obtaining witnesses in his favor; and to have
97 the assistance of counsel for his defense. Furthermore See Marbury v Madison: Marbury v. Madison :
98 5 US 137 (1803) “No provision of the Constitution is designed to be without effect,” “Anything that is
99 in conflict (with ARTICLE I Section 8 clause 17 pursuant to the Ninth and especially the TENTH
100 Amendment laws) is null and void of law”, “clearly, for a secondary law to come in conflict with the
101 supreme Law was illogical, for certainly, the supreme Law would prevail over all other laws and
102 certainly our forefathers had intended that the supreme Law would be the bases of all law and for any
103 law to come in conflict would be null and void of law, in would bare no obligation to obey, it would
104 purport to settle as if it had never existed, for unconstitutionality, would date for the enactment of such
105 a law, not from the date so branded in an open court of law, no courts are bound to uphold it, and no
106 Citizens are bound to obey it. It operates as a near nullity or a fiction of law.” If any statement, within
107 any law, which is passed, is unconstitutional, (such as the 'so called' Enabling Act) the whole law is
108 unconstitutional by Marbury v. Madison.

109 -----
110 Amendment 7 - Rights in Civil Cases

111 In suits at common law, where the value in controversy shall exceed twenty dollars, the right of trial by
112 jury shall be preserved, and no fact tried by a jury shall be otherwise reexamined in any court of the

116 the same, neglects or refuses to do so, if such wrongful act be committed, shall be liable to the party
117 injured, or his legal representatives, for all damages caused by such wrongful act, which such person by
118 reasonable diligence could have prevented; and such damages may be recovered in an action on the
119 case;

179 That is why the Supreme Court ruled in several cases that Withholding Taxes, Income Taxes nor the
180 invisible matching Employer Taxes can be taken out of your weekly paycheck, unless you
181 VOLUNTEER to LET them do so in opposition of THE EXISTING CONSTITUTIONAL laws
182 regarding that Taxes DO NOT APPLY TO AMERICANS --> so that We and/or our States can have all
183 the money, ON OUR WEEKLY PAYCHECKS we need to pay for all of the health care we want, all the
184 money we need to raise our own children in our own homes without "The Village", to have a good life,

188 inquiry left unanswered would be intentionally misleading. . . Our revenue system is based on the good

189 faith of the voluntary taxpayer and the voluntary taxpayers should be able to expect the same from the
190 government in its enforcement and collection activities. If that is the case we hope our message is clear.
191 This sort of deception will not be tolerated and if this is routine it should be corrected immediately."

195 Whereas : Further, John Davis, I am not a subject of any " Article 1 Legislative Foreign Agent courts "
196 or bound by "precedents" of any "courts," deriving their "jurisdiction" from said "authorities."Take
197 notice that I hereby cancel and make void from the beginning any such "instrument" or any presumed
198 "public election" made by any "government" or any agency or department thereof, that I am or ever
199 have voluntarily elected to be treated as a subject of any "monarch" or as a citizen," or a "resident" of
200 any "commonwealth," "state," "territory," "possession," "instrumentality," "enclave," "division,"

204 .The federal Constitution makes a careful distinction between natural Native born and citizens and
205 Nationals of the United States*Incorporation* (compare 2:1:5 with Section 1 of the 14th Amendment).
206 One is an unconditional Sovereign by natural birth on 48 union states soil, who is endowed by the
207 Creator , the Greatspirit and mother earth with certain unalienable rights; the other has been granted the
208 revocable privileges of U.S.** citizenship and nationals , endowed by the Congress of the United
209 States*Incorporation*. One is a citizen and national , the other is a subject. One Native is a Sovereign,
210 the other is a subordinate from religious beliefs . One is a Lawful bloodline american of our
211 constitutional Republic; the other is a citizen and or national of a legislative Democratic democracy
212 (the British Vatican contract 1871 civil war federal zone reference to the British Vatican and king john
213 foreign treaty of 1213 the Devils contract). Notice the superior/subordinate relationship between these
214 two statuses. I don't know how many can hear or comprehend this.... But we lawful bloodline
215 Americans STAND strong, we STAND our ground, we STAND for our rights. Standing is strength,

220 John Davis, I am not a "United States 14th Amendment citizen." John Davis, I am not a "resident of,"
221 an "inhabitant of," a "franchise of," a "subject of," a "ward of," the "property of," the "chattel of," or
222 "subject to the jurisdiction of" any "monarch" or any corporate "commonwealth," "federal," "state,"
223 "territory," "county," "council," "city," "municipal body politic," or other "government" allegedly
224 "created" under the "authority" of a "constitution" or other "enactment." I am not subject to any
225 "legislation," department, or agency created by such "authorities," nor to the "jurisdiction" of any
226 employees, officers, or agents deriving their "authority" therefrom. Nor do any of the "statutes" or
227 "regulations" of such "authorities" apply to me or have any "jurisdiction" over me.

228 -----
229 2). "Constitution":The document supposedly setting forth the foundations of a "country" and "its"
230 "government," has no inherent authority or obligation. A "constitution" has no authority or obligation at
231 all, unless as a contract between two or more individuals, and then it is limited only to those individuals
232 who have specifically entered into it. At most, such a document could be a contract between the
233 existing people at the time of its creation, but no-one has the right, authority, or power to bind their
234 posterity. John Davis ,I have not knowingly, voluntarily and intentionally entered into any such
235 "constitution" contract to oblige myself thereby, therefore such a document is inapplicable to me, and

236 anyone claiming to derive their "authority" from such a document has no "jurisdiction" over me.
 237 3). Use of semantics: There are some immature people with mental imbalances, such as the craving to
 238 dominate other people, who masquerade as "government," and call the noises and scribbles that
 239 emanate from their mouths and pens "the law" which "must be obeyed." Just because they alter
 240 definitions of words in their "law" books to their supposed advantage, doesn't mean I accept those
 241 definitions. The fact that they define the words "person," "address," "mail," "resident," "motor vehicle,"
 242 "driving," "passenger," "employee," "income," and many others, in ways different from the common
 243 usage, so as to be associated with a subject or slave status, means nothing in real life.
 244 Because the "courts" have become entangled in the game of semantics, be it known to all "courts" and
 245 all parties, that if I have ever signed any document or spoken any words on record, using words defined
 246 by twists in any "law" books different from the common usage, there can be no effect whatsoever on
 247 my sovereign status in society thereby, nor can there be created any "obligation" to perform in any
 248 manner, by the mere use of such words. Where the definition in the common dictionary differs from the
 249 definition in the "law" dictionary, it is the definition in the common dictionary that prevails, because it
 250 is more trustworthy. Violations of oath of office Capital Treason Under Title 18 USC 2381 Criminal
