SOUP KITCHEN VOLUNTEERS NEEDED!

The new year has arrived! There are new sign-up forms on the Volunteer Board in the Narthex. Please check to see where you can be of service!

We have the new sign-up sheet for the 2019 Ruth Meiers Soup Kitchen. We volunteer the 1st Wednesday of every month. There are some spots that need to be filled **FAST!**

Please call the Church office at 223-6091 if you can help!

ADMINISTRATIVE AND PERSONNEL

It is that time of year when the Administrative and Personnel Committee has the task of assigning new and current Elders to church committees for 2019. Each Elder is expected to chair a committee during his or her three year term. There are 15 Elders on Session with five Elders being replaced each year. Currently there are 10 committees including the Nominating Committee and Child Care Center Board that need an Elder representative. Elders are asked their preference of which committees they would like to serve. Many times we will hear an Elder say "I am willing to serve on any committee, I do not have a preference". "Wherever you need me". I would recommend becoming involved as and Elder. It is a rewarding experience.

PASTOR LEANNE'S MESSAGE...

Romans 8: 28 - We know that God causes all things to work together for good to those who love God, to those who are called according to His purpose. 29 For those whom He foreknew, He also predestined to become conformed to the image of His Son, so that He would be the firstborn among many brethren; 30 and these whom He predestined, He also called; and these whom He called, He also justified; and these whom He justified, He also glorified.

As is typical at the beginning of a New Year, many church leaders are beginning their newsletters by quoting Jeremiah 29 where God speaks of divine plans for his called people by promising a “future and a hope” according to God’s plans for a good life and not disaster. (I get lots of newsletters.) It’s a beautiful text, wherein God tells his people to take life by the horns and fully live: buy homes, get married, have children -an admonition that they should stop holding back because of uncertainty – because there is nothing about which to be uncertain when God made a promise.

I believe that – that God has promised good to us – such thorough good, that we should hear the word of God and take into ourselves God’s admonition to hold nothing back. I am not in a position to promise the modern version of Jeremiah’s promise: a booming stock market, a great housing climate or falling in love – those things are beyond my job description... but because of Jesus Christ, I am in a position to promise that in this coming year, God has our good in mind and, a future and a hope, and plans for our well-being – because: 1.) God loves us and 2.) we are called according to his purpose.

I am sure you will recognize the words of Romans 8 in the above paragraph – a chapter in which our future is already secured in Christ. “In Christ” – these are the key words in anything the Apostle promises – in Christ we are situated to share his resurrection glory, the undaunting victory of God over all sin and obstacles, and all of the promises of God’s presence and help. The phrase “in Christ” is a natural partner to another phrase: “according to his will” because to be in Christ means to trust God’s will in the big picture while we do God’s will in the small bits we can control. In the end, it all comes down to this: in Christ, we are challenged to embrace a life of doing God’s joyful will without fear, to hold nothing back, and to truly believe that God’s good will follow.

So, sweet church, Happy 2019! Let’s embrace the promises of God, and charge into this year without fear. Let us challenge one another to remain open and flexible to God’s leading, so that we may walk according to his will – and let us hold back nothing that could serve his purposes. We want the future in Christ. We want those promises. So, let us reach forward without fear, and see what God will do among us!

Leanne

NURSE'S NOTES...

Welcome to 2019! I hope each one of you have a great 2018.

So here is a North Dakota poem for you:

It's winter in North Dakota, and the gentle breezes blow, seventy miles an hour, At thirty-five below. Oh how I love North Dakota, when the snow's up to your butt; you take a breath of winter air, and your nose gets frozen shut. Yes, the weather here is wonderful; so I guess I'll hang around. I could never leave North Dakota', 'cause I'm frozen to the ground.

According to the American Macular Degeneration Foundation there are ten habits for eye health and American macular degeneration treatment:

What can be done to reduce the risk of developing macular degeneration?

The New England Eye Center at Tufts Medical Center recommends the following healthy habits, and your health care provider may give similar recommendations:

- ◆ Do not smoke. **Smoking may speed this deterioration** by increasing the number of damaging chemical compounds or reducing the number of protective nutrients delivered by the bloodstream to the eye, researchers speculate. Another theory is that smoking reduces blood and oxygen to the eye.
- ◆ Eat healthy foods with a diet rich in green, leafy vegetables such as kale, spinach, and collard greens. Eat fruit.
- ◆ Eat fish high in omega-3 fatty acids at least once or twice a week. This includes salmon, sardines, mackerel, herring, and albacore tuna.
- ◆ Avoid processed snack foods such as cakes, cookies, potato chips, candy, and soft drinks. Higher intake of specific types of fat—including vegetable, monounsaturated, and polyunsaturated fats and linoleic acid—rather than total fat intake may be associated with a greater risk for advanced AMD. Diets high in omega-3 fatty acids and fish were inversely associated with risk for AMD when intake of linoleic acid was low (1).
- ◆ Avoid partially hydrogenated fats such as coconut or palm oils. Use oil from olives, canola, or flaxseed in moderation.
- ◆ Maintain normal blood pressure, blood sugar, and cholesterol levels.
- ◆ Maintain a healthy weight.
- ◆ Exercise. Walk half an hour every day, or participate in more strenuous activities if possible, like yoga, aerobic activities, or sports.
- ◆ Wear sunglasses and a hat with a visor in bright sunlight to protect your eyes from potentially harmful ultra-violet (UV) light and blue light.

NURSE'S NOTES...

- ♦ If you have symptoms of macular degeneration or a family history of AMD and an unhealthy diet, take supplements which include lutein, zeaxanthin, vitamin C, vitamin D, vitamin E, zinc, and omega-3 fatty acids (fish oil).
- ♦ **Eat large quantities of dark green leafy vegetables rich in carotenoids**, the yellowish pigments that include precursors of Vitamin A. Spinach and collard greens are possibly the most beneficial vegetables in this respect. Two yellow pigments found in the macula known as lutein and zeaxanthin are also found in these vegetables, and are thought to filter out visible blue light which might possibly damage the macula. Therefore, these two yellow pigments may protect the macula from light damage (click [here](#) for a table listing foods rich in these carotenoids).
Antioxidant vitamins and zinc supplements may help.
Thank you for signing up!
- ♦ Have regular eye doctor appointments and if questions or concerns about your eyes consult with your eye doctor.

Announcement:

- ♦ BP Clinic Sunday January 13, 2019 from 9 am to 10 am & 11 am to noon. Everyone is welcome.
- ♦ Healthy Lifestyle Group: Introduction Class January 7, 2019 in Conference Room at 9 am.

TREE OF LOVE

A huge thank you to all members of the congregation who donated to the Tree of Love. This year's recipients of the Tree of Love donations were four families headed by single mothers whose children attend our Child Care Center. This letter was written by one of the mothers to our committee that we would like to share with you:

*Thank
you*

November 9th, 2018

To Whom it may Concern:

I want to say a big thank-you with lots of hugs and love to whom ever created this wonderful program!! My family and I are truly blessed to be nominated for the Tree of Love! Thank you for all of your kindness and for showing and restoring my and my family's faith in humanity. Our gratitude is never ending. Anything that is gifted is greatly appreciated.

Thank you and God bless.

The Outreach Committee greatly appreciates the congregation's support of this ministry to support our Child Care Center families. What a difference you have made!

DOWNTOWN HIGHER POWER LUNCHEON

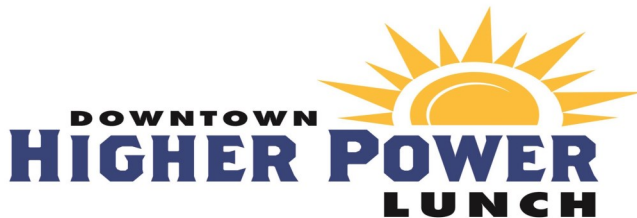

The Outreach Committee's Higher Power Lunch Team has completed our sixth monthly Higher Power Lunch in December! We had a delightful Christmas Lunch with a guest Appearance of the Evolution Jazz Choir from Legacy High School.

The vision of these lunches is to have a non-denominational, faith-based gathering to have lunch, to *Network*, receive *Inspiration*, feel **Connected** and to experience **Encouragement**. As part of the Higher Power Lunch, a scripture-based message/devotional that is relevant to the Daily challenges and struggles faced in daily life has been shared.

We feel honored to have been a part of this wonderful 2018 outreach to our neighbors which we believe has enriched us as well as our guests. Please know how much the Team has appreciated our Church family's support. Every month, June to December, 10-12 church volunteers made these lunches possible. We are ever so grateful for Pastor Leanne's spiritual guidance and presence at the lunches.

The HPL Team looks forward to 2019 lunches. In January, Rhonda Styles Rhode, from Charles Hall Youth Services, will be our speaker. Rhonda has been a frequent guest to our HP lunches. We have gotten to know her and are glad she is willing to share her faith story. Please think about joining us for lunch any or all third Wednesdays of each month in 2019. Visit the Downtown Higher Power Lunch Facebook page, First Presbyterian web page at www.fpcbismarck.com, or you can visit Event Brite to register .

The Outreach Committee wishes you a blessed 2019!

Rhonda Styles Rhode

DEACONS VISITS

The Deacons Visitation Committee would appreciate everyone's help with information about any shut-in or homebound member who might appreciate a visit. Please call or talk to the church office, Pastor Leanne, Wanona Goetz—Parish Nurse—or any Deacon. Pastor Leanne is also willing to bring communion to anyone. The Deacons and Pastor Leanne will check with the family and the individual to ask if they would like any of the services our church offers, so visitation can take place as soon as possible.

CHURCH UNDECORATING!

Volunteers are appreciated for the "Advent Undecorating" the Sanctuary immediately following worship on January 6th. Hope to see you there!

Thank you!

ANNUAL MEETING

The Annual Congregational Meeting will be on Sunday, January 27th, 2019 following Worship. Lunch will be served in Ramstad Hall. Please sign-up on the Volunteer Board in the Narthex so we can order enough food for everyone. See you there!

ANNUAL MEETING

CHARITABLE ROLLOVER

As of December 18th, 2015, the IRA Charitable Rollover was passed by Congress and signed into permanent law by the President, allowing taxpayers age 70 1/2 or older to transfer up to \$100,000 annually from their IRA accounts directly to charity without first having to recognize the distribution as income. Members of First Presbyterian Church who are 70 1/2 years of age and are receiving required minimum distributions (RMD) from their qualified retirement plans have found this to be a useful tool for making their contributions to our Church. Please consult your tax advisor for additional information on this option.

PER CAPITA 2019

Per capita payments, which represent a contribution to the work of the Presbyterian church at all levels, offer a working example of Christian sharing. A request for a per-member contribution is also made by the Synod and by the General Assembly; the sum of those three amounts constitutes the total per capita payment. Each church is asked to pay the total per capita payment to the Presbytery, which then distributes the payments among the three recipients. This way, each Presbyterian church within the Presbyterian Church (USA), has the opportunity to share equally to promote the work of the Presbytery, the Synod, and also the General Assembly.

Per capita payments recognize the fact that we Presbyterians see ourselves as a collective part of the body of Christ. We are not separated by region or by distance, instead Presbyterians are a single body, faithfully sharing our resources at all levels of the church. By sharing in these expenses, the collective financial strength of all church members can be focused on issues which concern all Presbyterians, not only in our area, but throughout the country and the world.

The per capita payments for 2019 as approved by Presbytery of the Northern Plains are \$44.00 per member.

General Assembly (GA)	\$ 8.95
Synod of Lakes & Prairies	\$ 5.40
Northern Plains Presbytery	\$ 31.65

Total 2019 Per Capita	\$ 46.00
-----------------------	----------

The faithful recognition of this financial contribution by each church is integral to the operation of the Presbytery, since the Presbytery makes the payment based on the number of church members in the Presbytery, to the Synod and General Assembly, even if a local church does not pay that church's per capita assessment.

"Every good gift and every perfect gift is from above, coming down from the Father of lights with whom there is no variation or shadow due to change."
(James 1:17)

CHRISTIAN EDUCATION...

First Presbyterian Church continued a holiday tradition in December that has been going on for a very long time, putting on its annual Youth Christmas Pageant. We had roughly 25 youth from pre-school to high school age depicting roles from the story of the birth of Christ, including parents, Mary and Joseph, shepherds and angels....and a guest appearance by our very own Pastor Leanne. Pretty sure she wasn't there for Jesus' birth, but she made a wonderful addition that will be remembered for years to come!

As a first time Youth Christian Education Director, I was worried about the chaos and wanting everything to be absolutely perfect! (you can laugh...it's ok!) What I learned is that these kids at First Presbyterian are absolutely phenomenal!! They went with the program, even if they didn't quite like the parts they got, or didn't like their costumes, in the end, they stepped up, did an absolute amazing job, and taught me that perfection is only how you look at it! The Pageant was chaotically perfect and was such a blast to work with all of the kids! I am sincerely thankful to the Interns we have at FPC! Emily Ehrens and Mark Jensen do an amazing job with our kids in PAC and Sunday School and it is a pleasure to work with them every week. The volunteers we have are extremely fantastic! Jan Gilchrist, Cindy Cross, Karmen Svihovec and Alisha Wohl were such a huge part of the pageant and they contribute their services throughout the year in other Youth group activities! Thank you for all your hard work and service to us here.

I am so excited for the opportunities ahead of us in 2019! We will have the opportunity for some great summer trips, retreat opportunities, service projects, VBS, and most exciting...Triennium!! We have received a few registrations already. If you are interested in your youth attending Triennium and would like more information, feel free to contact me anytime with questions you might have. The deadline for registrations is January 15th.

We are so thankful for the children, youth, families and congregation members of this church. We appreciate all great support from everyone. The new volunteer sheets for signing up to help teach a Sunday School lesson, or help on Wednesday nights is on the Volunteer Board in the Narthex. We would love for you to become more involved with our youth and help nurture their faith journey.

I have truly been blessed with this opportunity and am looking forward to 2019 and this amazing journey that lies ahead.

Happy New Year!

Charee
