

KINDNESS BAGS **FOR LOCAL SENIORS**

WHO

Will you help us show the homebound senior population of Cypress who are currently under the Meals on Wheels© program they are loved and remembered? This population of residents are part of one of the greatest generations of all times. They worked hard and took good care of our nation. Now, they can use a little help themselves.

Their nutritional needs are being met through Meals on Wheels© that provides nutritious meals to their homes for the week. Although their nutritional needs are being met, there are other items they simply cannot afford and must do without. The Woman's Club of Cypress has adopted a project that will provide the home delivery of a Kindness Bag containing items they have either requested through a survey they were given, or items we know they can use at this time.

WHAT

All items must be new and in their original packaging due to the current pandemic safety guidelines.

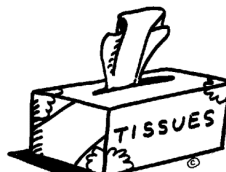

There are approximately **32 Homebound Seniors** to whom we distribute these items on a semi-monthly basis. Please e-mail Roberta Voet, at WCCypressCA@gmail.com, in advance, if you would like to donate any of these items in case we have already received the amount we need of that item. Feel free to donate more than one of the items if you would like to do so.

You can also donate gift cards or a check, which will be used to purchase some of these items. We are a 501(c)(3) organization, and can provide you with a tax receipt for your donation.
