

Joe Cravens Memorial Scholarship Request for Applications

The IGCSA in 1992 created this scholarship to honor the memory of Joe Cravens.

The Joe Cravens Scholarship is open to children of IGCSA members or those students who work at an IGCSA member course. The student applying must be entering into their final two years of study at an accredited school. The opportunity to award a scholarship to a deserving turf student is a way to sustain our industry, and is a major benefit of being a member of our organization.
