William & Mary finished the archaeological dig on the south side of the OBH and that property is too rich with artifacts. We cannot build a structure on this site. We can do nothing to the 7 to 8 acres without the approval of the Virginia Department of Historic Resources. We have organized a committee to develop alternatives and we will keep you informed as we progress. We have another committee working on signage for the property. This committee has submitted a proposal to the Cameron Foundation for funding.

A special thank you for renewing the brick walkway; Nathan Tyler and Lanie Byrd did the labor and Bob Conklin's Company provided all the materials. We need to decide what to do with leftover brick?

Our next meeting is scheduled for August 20 at 10 AM. We have made staffing changes, Dave Kennon is president and Kay Wynn is treasurer. If you are interested in serving as a board member or as an advisor, please come to the August meeting and/or the membership meeting in the Sept/Oct period or call Jim O'Connell at 520-9476 or email joconnell63@comcast.net
