

Dear Potential Sponsor:

The Oliver Springs Historical Society is making plans for the 10th annual "October Sky Festival" to be held on Saturday, October 21, 2017 at Arrowhead Park. The Historical Society is a non-profit organization dedicated to the cause of preserving and restoring our region's history and to pass it on to the next generation.

Last year's festival was a great success with over 3000 in attendance and 100+ vendors and exhibitors participating. Through the Arts Council of Roane County, the Writers Group of Harriman, and the TN Writers Guild some of the best authors and artists in our area were present. A walking/driving tour brochure with photos and descriptions of 50 historical sites, including sites that were used in the movie "October Sky", has been added to a narrated bus tour.

The success of our festival has been largely due to the contributions of our sponsors who have been generous in lending financial support. We hope you will consider helping our festival by joining hands with us as a sponsor. You or your organization is sure to receive exposure from our media campaigns and promotions.

The Historical Society is in the process of restoring the 1928 Abston garage building that will become a Museum and Event center to preserve the history of our town and the surrounding area. And serve as a place the schools can have plays and other events, also for the community to have reunions and celebrations. All profits from the "October Sky Festival will go to support this project.

To help fund this outstanding family event you may make your tax deductible donations to: Oliver Springs Historical Society, P. O. Box 409, Oliver Springs TN, 37840.

Thank you for Support

Teresa Hall, Festival Coordinator
