To whom it may concern

It is with great pleasure I write and recommend to you Myung Jae Lee (Jae) to your office.

Jae has worked in our acupuncture center for the last five years. His work performances were excellent. He is trustworthy, knowledgeable, compassionate and a good communicator.

Jae has recently moved to Stevenson Ranch in Santa Clarita, and would like to expand his practice several days a week and work close to home.

Mr. Lee would be an asset to any medical establishment who will use his services. His knowledge of Acupuncture, Chinese herbs, Qi Gong and Meditation will help and support his patients on their journey to health.

Please contact me for further information.
