**Closing Prayer**

As the Coronavirus (COVID-19) and its impact continues to evolve and develop, we remain focused on the health and safety of our members, visitors and our communities. The CDC advises the public to maintain social distance of 6 feet if you venture out to wear a mask, and schools are closed for the remainder of the school year, so keeping that in mind, **we have cancelled all services for the month of April and the Governor has extended the "Stay at Home" order and maintain social distancing to May 8<sup>th</sup>.**

**The first ever Cordless Phone was created by God. He named it "Prayer"... It never Loses its Signal and U never have to Recharge it. Use it Anywhere...!**

**God values you.** God's word brims with life-giving affirmations – things he wants you to know. What kind of things? Here's one that's very important, Jesus tells us that God is so engaged with his creation that he values even the little birds he's made. And yet, "you are of more value than many sparrows," Jesus assures us (Luke 12:7). God knows everything about us. He could tell you the exact number of hairs on your head right now. Imagine, then, how much he cares about the deeper realities of your life – about what makes you who you are.

**God hears your prayers.** With so much praying going on in the world, you may wonder, Does God really hear my prayers? In Psalm 4:3, the psalmist didn't have a doubt: "Know that the Lord has set apart the faithful for

himself; the Lord hears when I call to him." It's a comfort to know that the God of the universe is not too busy or distracted to attentively bend his ear toward us. Jesus told his followers, "Ask, and it will be given you; search, and you will find; knock, and the door will be opened for you." (Luke 11:9). So, pray away! God is listening.

**World Bible Class (WBS)**

Wayne Ard has a prison ministry and is also assisting some who have indicated an

interest with WBS. If you need help getting started or know someone who has indicated an interest, please contact Roy Stephenson.

**"Noon" Senior Center Class**

The Senior Center will be closed. Classes on Tuesdays are cancelled until further notice.

**Sunday Morning Bible Study starts at 10:00 am but is suspended pending a decision regarding the COVID-19 recommendations for social distancing and the number of new cases of the infection.**

Please make plans to join us on Sundays when we resume. **For the spring quarter we will be studying from the book of Hebrews.** Please

continue to read your Gospel Advocate study guide book.

## Just Christians

Come grow with us. If you have any questions or would like to start a home study, contact Roy Stephenson, Minister/Counselor. Phone (828) 557-8882 or email: [murphychurchofchrist@yahoo.com](mailto:murphychurchofchrist@yahoo.com)

Do you need the help of the church to help strengthen you in your belief? Whatever you need, please join us each Sunday morning for Bible study followed by morning worship in prayer and song.

## 6:00 PM Wednesday Bible Study

We want to involve everyone who comes to the class. **The class is still cancelled because of the information available regarding the coronavirus. Once this critical time in our country ends, we will continue the topic – “The 2<sup>nd</sup> Coming.” The next discussion will focus on “Death and the 2<sup>nd</sup> Coming”. Come prepared to join in the discussion and share your thoughts.**

We look forward to YOU being a part of our study and discussion.

## Pantry Items

**Please let Roy Stephenson know if you know of someone who has a need.** If no family or individual has made a special request; then, at the end of each month Lula will pull items off the shelves and take them to the

Cherokee County Food Bank, Inc. In Andrews since they have access to the Cherokee County community at-large and average about 100 clients a week. **NOTE: Our pantry is small, so we try not to over stock.** We only give out food if someone is here doing work in and around the church building and have access to the building.

**March 25<sup>th</sup> Lula took all the food items to the Cherokee County Food Bank in Andrew's. The bank is opened to the public on Tuesdays and Saturdays from 10-12.**

**We will need your help to restock our pantry.**

**PLEASE NO PERISHABLE ITEMS**, e.g. loaves of bread or baked goods because they increase the potential for bugs, and they lose their freshness within a short time span. **The staff at the Food Bank has requested that we give them our empty egg cartons.**

## Extraordinary Women Conference

Ladies, ready for a great time of worship and fellowship? **Extraordinary Women is coming to Concord, NC again this fall (October 16-17).** A few of the speakers will be Laura Story - Christian music singer/songwriter and author; Cissy Graham Lynch - granddaughter of Billy Graham and Karen Kingsbury, America's favorite inspirational author! **Price was \$64 until March 30.** Purchases are non-refundable so if you decided to wait the price might be higher. Please let Sheri

Goodlet know if you are interested in attending.

In keeping with the CDC recommended reduction in crowd size, our state mandated self-distancing/quarantine and with an abundance of caution regarding the spread of the COVID-19 . . .

**March's 5<sup>th</sup> Sunday fellowship meal was cancelled. The next 5<sup>th</sup> Sunday is May 31<sup>st</sup>.**

## REACH, Inc. – Community Project

The ladies made a commitment to supply the REACH, Inc. of Cherokee County domestic violence shelter with cleaning supplies and laundry detergent. If you have items of clothing, children books, etc. to donate please place them in the bin provided in the pantry area or you can take them to the REACH office located behind the thrift store on HWY 64. We can always use some small tote bags and small travel size items to fill them with, e.g. combs, hand sanitizer, toothbrush, travel size toothpaste, deodorant, etc. for their clientele. Recommended size for the tote bags is 9"X9". Put them on the table in the pantry and we will fill them as time permits.

There is also a small donation jar on the table in the back of the church if you would prefer to give money. If you would like to donate on a recurrent basis, please fill out the card on the back table. You can take it directly by the office or give it to Lula to take for you.

Often the victims leave home with only the clothes on their back, so they are given clothes and furniture from the Thrift Store until they can get back on their feet. They can always use volunteers to help with some of their community outreach activities and local fundraiser events. Call the office at 828-837-2097 or 828-837-8064 for more information.

**Fundraisers are always being planned.** Fundraisers are needed to supplement government grants. The next major fundraiser is a **"Duck Race"** co-sponsored with Mountain True. Because of concern for public health safety resulting from information regarding the COVID-19, **the date has been rescheduled for July 4<sup>th</sup>** at the ballfield in Andrews. **Ducks are \$10 each.** Let Lula know if you want to purchase a duck from her or you can stop by the REACH office located on Hwy 64 across from the bank. There are flyers on the back table with more details. **Again, please make note the date has been changed to July 4<sup>th</sup>.**

#### **4th Sunday Area Singing**

Date was changed to March 1<sup>st</sup> at the Hayesville COC at 2:30 pm for the start of the 2020 quarterly area singing.

Light refreshments will be served immediately following each area singing. This will give you an opportunity to meet members from the surrounding churches.

#### **Future dates and locations:**

April 26 – Cherokee (cancelled)  
June 28 – Andrews  
August 23 – Franklin  
October 25 – Murphy

#### **International Year of the Nurse**

This year has been deemed the International Year of the Nurse and Midwife by the World Health Organization, shining a light on the vital role played by nurses and midwives in providing healthcare around the world, and calling for a strengthening of the nursing and midwifery workforce.

Especially during this worldwide health crisis, it is important to acknowledge nurses and all healthcare workers as they are on the front line of battle daily to care for those not only stricken with this deadly virus, but also other patients who require care in hospitals, schools, nursing homes, urgent care centers and even in remote triage centers being set up all over this country.

#### **GET SMART**

##### **Know When Antibiotics Work**

Most illnesses are caused by two kinds of germs: bacteria and viruses. Antibiotics can cure bacterial infections – not viral infections.

**Bacteria** cause strep throats, some pneumonia and sinus infections. *Antibiotics can work.*

**Viruses** cause the common cold, most coughs and the flu. *Antibiotics do not work.*

*Using antibiotics for a virus:*

- Will NOT cure the infection

- Will NOT help you feel better
- Will NOT keep others from catching your illness.

Seek medical advice if you are having a fever, nausea and vomiting, difficulty breathing and/or diarrhea. These symptoms can lead to complications especially if you have an underlining chronic health problem, e.g. diabetes, bronchitis and/or heart problems. The latest CDC recommendation is to avoid crowds of 5 or more people!

#### **THINGS YOU CAN DO**

According to the CDC here is how you can help stop the spread of the coronavirus. (NOTE: This is also applicable to other bacteria and virus spread prevention)

- Regularly wash your hands with soap and water for at least 20 seconds
- If soap and water are not available, use hand sanitizer with an alcohol content of 60% or more
- Avoid touching your eyes, nose and mouth with unwashed hands
- Avoid close contact - less than 6 feet – with people

who are sick especially in a poorly ventilated room.

- Stay home when sick
- Cover your sneeze or cough with a tissue or elbow to reduce spread of droplets
- Clean and disinfect frequently touched objects or surfaces

*"The value of persistent prayer is not that God will hear us, but that we will finally hear God,"* because there is no doubt that now is truly a time for the whole world to stop, pray and hear His voice.

\*\*\*\*\*

Do not forget to check on your neighbors, family and friends to let them know you are thinking of them. Ask them if they need anything that you can help with while following the recommendations from the CDC to keep everyone safe.
