OLD BUSINESS:

- **Junior Easterday:** In memory of Junior passed away on March 14, 2015; A few moments of silence was recognized to pay our respects. His wife Janet now becomes a lifetime club member.
- **Dues:** A remaining 10-members have not paid their 2015 dues these people will be dropped from the roster at the end of April if payment is not received.

NEW BUSINESS:

- **Welcome Center Sign:** Steve said suggested that we advertise on the Welcome Centers sign for the May Cruise. The cost is \$25.00 for 2-5days. A motion was made to rent the sign for the week of April 27th by Greg Myers and 2nd by Floyd Woolever; the club voted and the motion passed.
- **Clifton Memorial Fund:** Patt approached the club regarding changing the Clifton Memorial Funds name to "RoundTown Cruisers Memorial Fund". She explained how this fund got started when her husband passed and feels since we have now lost several members the fund should named for the club and not an individual person. A motion was made to change the name by Rick Clark and 2nd by Glenn Metzler; the club voted and the motion passed.
- **Scholarship Fund:** Jim Deal talked about why we are discussing a scholarship program. After the board talked to Phil Kasler a local expert on running a scholarship program we found out that the club would have to change to a non-profit group instead of a social club as our charter is now registered. This would require changing our charter with the state as a 501-3C (non-profit) organization and changing our by-laws to start with. A motion was made to investigate the cost and what needs to be done to do this by Jim Deal and 2nd by Mack Thomas; the club voted and the motion passed.
- **Memorial Wall:** Patt talked about moving the wall to a location where it can be seen at the cruise-in's, possibly on an easel or something.
- **Trophy Awards:** Steve said our Award Plaques and Dash Plaques are ordered and should be in about April 20th. He passed around the design proofs of both. He also explained how we are going to vote on awards and register cars.
