

Gisozi Heights

A life of luxury in the heart of Kigali

Construction is underway to build a stunning collection of 3-4 bedroom houses, located in the heart of Kigali with spectacular views of the Central Business District.

- ▶ 26 exclusive, spacious, and modern 2-3 storey homes
- ▶ Prime Gisozi location with access to public transportation, shops, schools and health services
- ▶ High quality design and construction
- ▶ Secure, private neighborhood development
- ▶ Private master bedroom suite with large balcony
- ▶ Separate maid quarters

Call now to schedule an appointment to tour the model home.

Enjoy The Bright Side Of Life
One of its outstanding advantages is its unique location overlooking the city of Kigali. Experience it yourself in our new model house.

It's time.

From 14/12/2017 the first Gisozi Heights Model House is available for a visit and our sales office will be available daily to show you the model house and the many advantages and opportunities of this unique project at one of the best plots in Kigali.
