WALNUT GROVE CHURCH OF CHRIST

July 26, 2020

Message from the Elders

This Sunday, Chris King and his family will be with us. Chris is the current minister at Lebanon church of Christ. He is interested in the minister position at Walnut Grove. Chris is married to Tara, and they have four children; Nathan 15, Grace 13, Hannah, 11, and Noah, 10. We look forward to them being with us and we encourage each of you to get to know them as well.

We will livestream the class and worship service as we have been doing. The speakers will be set up outside for those wishing to remain outside or in their cars. Classes will start at 9:30, with worship at 10:30. Jason Jackson will be with us again next Sunday, teaching the auditorium class and preaching for us during worship.

Continue to remember those of Walnut Grove that continue to deal with health issues. We are encouraged by those who have received good news recently or have been able to return back home. Several are still facing tests, surgeries and other procedures. Be sure to remember them in your prayers, as well as those who have lost loved ones.

We want everyone to feel safe during this time. Continue to remember the restrictions that have been in place as we assemble to worship. Please consider your health and the health of others as you come to worship, particularly those who are in a high risk category, who have an elevated temperature or COVID-19 symptoms. We will continue to practice social distancing as we assemble, maintaining the 6ft distance requirements. As we assemble to worship in the auditorium, we are suggesting that families sit together and maintain a 6ft distance from others around you in the pews. We will continue to use the individually packaged communion which will be available for you to pick up as you enter the auditorium. No trays will be passed during the service. We will continue to have collection plates in the auditorium and foyer area to collect the contribution as you enter or leave the building. If you feel more comfortable with wearing a mask during worship, then please do so. Hand sanitizer and hand washing stations will continue to be made available at the building. We will continue to clean and sanitize the building after each use on Sunday and Wednesday.

For classes, we will continue to implement social distancing and other safe practices as necessary in the classrooms. Teachers are asked to wear masks in their classrooms and have been instructed to implement additional sanitizing. If possible, we would like to minimize the number of people in the classroom halls. Children that can go to their classes by themselves, please let them do so. We understand that may not be possible in all situations.
