

# Food

## Foundation 2 - Spring 2

This half term we are going to be learning about food through a variety of stories. First we will think about the types of food that we eat for breakfast and decide how we all prefer our porridge. Next we will move onto lunch times food, where we will learn how to make bread and make sandwiches with different fillings in and choose our class favourite! We will then discover how vegetables grow and then make our own vegetable soup to taste.
