On behalf of the Wilmot Agricultural Society, it is my privilege and honour to welcome you to the 161st New Hamburg Fall Fair. I would like to thank the members of the Executive and Board of Directors for their year-long commitment. I would also like to thank our sponsors and volunteers for all their time and funding throughout the year, without your support we would not be able to do what we do. As you walk around our fair grounds this year make time to visit our Home Craft exhibits, showcasing our local talent.

This year, we are **Celebrating 100 Years of 4-H in Ontario.**

Though it may seem obvious, 4-H extends far beyond the fair. It extends past the club meetings, past the projects, and past the hours of work. The values taught by 4-H impact each and every one of us every day. Whether it is putting in a little extra effort around the barn, being active in your community, or applying knowledge gained in 4-H at school or in the workplace, 4-H helps us all grow and teaches us important lessons. One of those lessons is to work together to achieve a common goal. As you walk around the fairgrounds, you will see children and adults of all ages working together. The ability to work in a group, overcome adversity, and work cohesively are all invaluable qualities, and ones that we learn from 4-H. Throughout the weekend take time to look at all the displays, get up close to the show calves and stop to talk to 4-H members as this is a special weekend for most of them. It's their time to shine and show what they have accomplished in their clubs this year. The members have put a lot of effort into these projects and they are more than willing to talk to you about them.

We look forward to seeing you all at the fair!

Ben Broughton,
President

NEW HAMBURG, ONT.

The Wilmot Agricultural Society (WAS) extends its sincere appreciation to all donors of prizes, special awards, cash and rentals. In addition, the WAS is grateful to those who have made donations but were received after the preparation and publication of this year's prize list book. ***We reserve the right to substitute prizes.**

The thanks of the WAS are extended to the councils of the district municipalities for grants given to the society.

The WAS is a member of the Ontario Association of Agricultural Societies. The New Hamburg Fall Fair is located in District 7.

1. Every article to be entered for the competition must be the property of the person whose name is on the entry ticket.
2. Exhibitors must pick up their exhibits between 3:30pm and 6:30pm on Monday, September 21, 2015. **NO EARLIER!** Exhibits not picked up by 6:30pm will NOT be the responsibility of the Home Craft Committee.
3. Every person not necessarily required in the judging area must withdraw while the judges are officiating.
4. No person shall be the judge of their own property nor be allowed to exhibit and judge in the same class.
5. Persons interfering with the judges shall forfeit the right to any prizes to which they may be otherwise entitled.
6. Only one entry shall be allowed to an exhibitor in one section of the arena classes.
7. In addition to the stated prizes offered in the listed categories, judges may award additional prizes they consider worthy and the directors shall determine the prize. Judges shall have the power to grant or withhold any prizes in case of inferiority in any class.
8. Although directors will take responsible precautions to ensure the safety of articles exhibited, they wish it to be distinctly understood that the owners must take the risk of exhibiting them and should any articles be lost or stolen the directors will give every assistance in their power towards recovery of the same but will not make any payment of value thereof.
9. The animals or articles to which prizes are awarded shall be distinguished by attaching stickers or ribbons to the respective animals or articles.
10. The decision of the judges shall be final as to the awarding of prizes. No appeal shall be considered except in the case of a protest. All protests shall be made in writing and delivered to the fair office on the grounds within 1 day after the judge made the award. Any exhibitor making such protest will be required to deposit with the Secretary, along with the protest a sum of \$20 to cover costs and if said is not sustained, the said among protest will be retained by the WAS. The President, Vice Presidents, Secretary and Director in charge of the department shall be a standing committee to hear and decided all protests.
11. The WAS will withhold 10% of prize money received from cattle, sheep, heavy and light horse winnings. There will be no prize money withheld from entries in the-junior Home Craft division and 4-H. For all other arena exhibitors, any prize money received over \$10 will have 10% withheld to cover administration costs.
12. In the case of bad or unfavorable weather or other reasons causing the receipts to fall short of paying the expenses and all prizes in full after paying the expenses, a proportionate amount, exclusive of membership will be deducted from such prizes to enable the Directors to balance the accounts without loss. The Directors feel that this course is the most equitable and fair one that can be adopted, as any deduction will fall proportionately on all those participating in the amounts collected and not leave the whole sum to be a debt to bear heavily on the WAS and thus impair its usefulness.
13. While the Directors of the WAS will use every available means to prevent accidents in and or about the grounds, it must be distinctly understood that all persons going on to or upon the show grounds must personally assume all risk of accidents or injury from an cause whatsoever.
14. The WAS recommends that all exhibitors and competitors maintain a minimum liability of \$1 million insurance.
15. Absolutely NO alcohol or drugs on fair grounds.

Hello! My name is Colleen Danner and I have had the privilege and honour of being the 2014-2015 Ambassador of the Wilmot Agricultural Society. Being ambassador was a wonderful experience that taught me about the importance of community involvement, sustaining agriculture, and networking within your community. Thank you to everyone in the Wilmot Agricultural Society, the Ambassador Committee, my sponsor the New Hamburg Lioness Club, and all the great people who I have met along the way. I am grateful for your mentorship, support and friendship.

My experience as ambassador allowed me to grow as an individual. I attended monthly board meetings, parades, and the Annual General Meeting with the Wilmot Agricultural Society. I travelled to Arthur where I met all the ambassadors from District 7, and stayed at The Royal York Hotel in Toronto for the OAAS Convention. All these are experiences

I will cherish forever. I am looking forward to competing at the CNE, and helping with the upcoming Ambassador program! It's been a pleasure being ambassador since agriculture has always been a big part of my life. I was born and raised on a farm in New Hamburg and ever since I can remember I have come to the Fall Fair each year. I love all the memories I have from the derbies, midway, and of course the food! I plan on staying connected with the Wilmot Agricultural Society, and believe that it is important that younger members in the community start becoming involved. This will allow the Fall Fair to stay within our community, and allow future generations to experience agriculture as we did! This has been an unforgettable experience that I will remember for the rest of my life.

See you at the fair!

Sincerely,

Colleen Danner, 2014-2015 Ambassador

Education Day - Friday, September 18, 2015

Director: Leann Taylor, education@newhamburgfallfair.ca

FINANCIALLY SUPPORTED BY THE NEW HAMBURG OPTIMISTS

The education committee hosts a half-day educational program for Wilmot schools and home school students in Grade 4 on the Friday of the Fair. There is no charge for students to participate in this program (transportation must be provided by the school).

Groups can attend either a morning or an afternoon session. The 2-hour program takes students through several learning stations. Past learning stations have included dairy farming, healthy eating, the Waterloo Regional Police Services and local farming.

Information about this year's presenter will be provided in an information package sent to the schools and home school families in April. Grade 4 students are invited to this program as they have previously been exposed to farming through units in the primary grades. Children in this age range are starting to form their own opinions on many issues, including agriculture. We hope to help them form opinions based on knowledge and understanding.
