Dear Ms. Hemmings:

Thank you for your interest in the Office of the Federal Register (OFR). Unfortunately, we are unable to assist you. We publish the daily *Federal Register*. The daily *Federal Register* is a legal newspaper published every business day by the OFR. It contains Federal agency regulations; proposed rules and notices; and Executive orders, proclamations and other Presidential documents. The *Federal Register* informs citizens of their rights and obligations and provides access to a wide range of Federal benefits and opportunities for funding.

We have no authority to register individuals or publish documents submitted by non federal government agencies in the daily *Federal Register*, therefore I'm returning your letter and attachments to you.

Sincerely,

AMY P. BUNK
Director of Legal Affairs and Policy

Dear Office of the Register,

I am Paulett Angella Hemmings, the creator of this EARTH and many other creations outside this EARTH. Everyone in this EARTH and everything in it belong to me. I am above everybody and everything in the creations. Last week I sent you documentation of who I AM. I am attaching the documents I sent last week again.

All books, documents, and others must be where they're supposed to be, so I can find them without obstacles. Any new label or records management must be sent to me, so I know how to find all I want or need.

In no place, any president, leader of the past, current, present, senate, congress, congress woman or man, house leaders, anyone, any commands, or anything must have any authority over me, my information, or have any access higher than I AM, I HAVE, or anywhere in all creations or places dead or alive. No leader of the US or president can take office without my permission since I was born. I look forward to hearing from you immediately.

Sincerely,

Paulett Angella Hemmings EARTH
