## Grass Fed/Finished Beef

At Birkeland Farm our beef is grass fed & grass finished.

We raise our animals in the most natural, stress free environment possible. They are raised 100% on pasture at our ranch and on a nearby ranch in Eagle Creek, in a natural herd environment. No antibiotics, hormones or added grain are used.

Generally we harvest in Summer and Fall of every Year

Cost is \$4.50/lb hanging weight, Price is all inclusive, no extra charges  
A non-refundable deposit of \$200 holds your spot which applies to your final purchase.

### **1/4 Beef example:**

- Includes steaks, roasts, burger, stew, bones, organs (cuts are decided by you working directly with the butcher)
- 1/4 cow could range from \$500-\$800
- 80lbs -100lbs take home freezer meat. This varies as all animals are different in size. This is just an example. You do receive what you pay for.
