Dear Community Partners and Supporters,

The National Coalition of 100 Black Women Inc. - Harrisburg Chapter (NCBW Harrisburg) is a nonprofit 501c3 organization in existence in Central Pennsylvania since 2012 with a mission to advocate on behalf of, educate and empower Black women and girls to promote leadership development in the areas of health, education, and economic empowerment.

**It is with immense pleasure that I share news of The NC100BW Harrisburg Chapters' 3<sup>rd</sup> Annual Tribute to Trailblazers Awards Gala being held on Friday, October 22, 2021 from 6:30pm – 11:00pm at the Colonial Golf and Tennis Club, 4901 Linglestown Road, Harrisburg, PA 17112.**

Our 3<sup>rd</sup> Annual Tribute to Trailblazers Awards Gala provides an opportunity to honor and celebrate the accomplishments of Central Pennsylvania's leading minority female professionals and community volunteers, who have made a significant impact on their community and others in the areas of: Health, Education, Economic Empowerment, Community Leadership, and Public Policy.

Since our installation in the Harrisburg Community, we have provided services to thousands of Black women and girls via our empowerment and education programs. We believe through our efforts we will fulfill our vision of seeing black women and girls living in a world where socio-economic inequity does not exist, and they are equipped with the tools to be successful.

Our organizations programs initiatives are designed and implemented in response to critical issues which affect the Black community. Since 2012, The NC100BW Inc., Harrisburg Chapter has served thousands and been committed to strengthening and empowering women and girls in Central Pennsylvania through:

- Increasing awareness of and furthering actions to close the gender gap in health, education, and economic development.
- Personal and professional development and mentoring projects.
- Providing educational scholarships and conducting financial aid workshops to increase higher education rates.
- Promoting resources and education to combat health disparities such metabolic syndrome, cancers, heart disease, HIV/AIDS, obesity, and other health causes
- Conducting financial literacy workshops to promote self-sufficiency, homeownership, entrepreneurship, and generational wealth.
- Providing necessary tools and information to assist with improving parenting skills, nutrition and family and childhood obesity

Each year our Galas have received overwhelming response with attendance by over 200 people to celebrate deserving women receiving the Trailblazer Honorees. Among those in attendance, were community leaders, corporate executives, partners, and other donors like you who continuously help us to make our programs impactful and successful.
