Eagle Lake City Council Instructs City Attorney to Continue Investigation

The City of Eagle Lake City Council voted unanimously at its August 11 regular meeting to have the City Attorney continue with the investigation of a previously approved payroll audit.

The City's legal counsel will be assisted by CPA firm Garza, Gonzalez and Associates of San Antonio, Texas. With the assistance of Garza, Gonzalez and Associates, the City's legal counsel will provide the City Council with a legal review to determine what, if any, corrective action is required.

"We [the City Council] want to ensure this is an objective investigation," Mayor Mary Parr said. "The goal is to clearly identify what transpired and what needs to be done to address any problems that are found. Council will then establish any necessary policies and procedures to limit the risk of any future issues arising in the payroll system."
