PLANS MUST BE SUBMITTED IF YOU DO NOT QUALIFY FOR ONE OF THE EXEMPTIONS LISTED ABOVE BEFORE A PERMIT CAN BE ISSUED

V. APPLICANT SIGNATURE	
<p style="text-align: center;"><u>Licensee</u></p> Section 23a of the State Construction Code Act of 1972, Act No 230 of the Public Acts of 1972, being section 125.1523a of the Michigan Compiled Laws, prohibits a person from circumventing the licensing requirements of this state relating to persons who are to perform work on a residential building or a residential structure. Violators of this section are subject to civil fines. As the contractor I will cooperate with the Mechanical Inspector and assume the responsibility to arrange for the necessary inspections.	<p style="text-align: center;"><u>Homeowner Affidavit</u></p> I hereby verify the mechanical work described on this permit application shall be installed by myself in my home, in which I am living or about to occupy. All work shall be installed in accordance with the State Mechanical Code and shall not be enclosed, covered up, or put into operation, or occupied until it has been inspected and approved by the Mechanical Inspector. I will cooperate with the mechanical inspector and assume to responsibility to arrange for the necessary inspections.

Applicant Signature _____ **Date:** _____
 Signature of Licensee or Homeowner (Homeowner signature indicates compliance with Homeowner Affidavit above)

Clinton Township reserves the right to use an outside firm or agency to conduct plan reviews for the purpose of establishing code compliance compliance. The applicant will be responsible for any fees charged by the firm or agency along with any administrative expenses incurred.

* **NEW SINGLE FAMILY RES** INCLUDES: Application fee, Residential heating system, Gas piping, A/C, Bath/kitchen/dryer Exhaust (3), rough inspection, gas pressure test and final inspection

GENERAL Mechanical work shall not be started until the application for a permit has been filed with the mechanical dept. Installation shall be in conformance with the state Mechanical Code - No work shall be concealed until after inspection.

Refunds Requests for refunds must be made within one year of the date of issuance of a permit, subject to the following

Cancellations \$30.00 admin fee plus an amount equal to the inspection fee for each inspection prior to cancellation

Review fees Are non-refundable

Work started without a permit In the event work is started prior to obtaining approval of a permit application, a supplemental fee of \$50.00 will be added to the permit fee. If violation are cited or access is denied, a re-inspection fee shall be charged. All fees shall be paid prior to a Certificate of Occupancy being issued.

Expired permits Permits that have expired after six (6) months will be re-issued at one half (1/2) the original permit fee if the amount is less than \$100.00. If the permit fee is greater than \$100.00, a fee of \$50.00 or 10% of the original permit fee whichever is greater shall be paid prior to continuing any work. A cancelled permit can not be reinstated.

Contractors must show proof of State of Michigan license and register with Clinton Township.

All Fees: =====> **PURSUANT TO THE ABOVE SHALL BE PAID IN ADVANCE WHEN THE APPLICATION IS SUBMITTED TO CLINTON TOWNSHIP.**
