6. Carrier authorizes Broker to invoice Shipper, receiver, consignor or consignee for freight charges as agent for and on behalf of Carrier. Carrier agrees that rates are contractual and not common carriage filed tariff charges. Broker shall be the agent for the Carrier for the collection of charges, when customers pay the Broker.

7. Governing Rules. Both parties recognize that motor contract service is based on the Carrier either (1) assigning motor vehicles for a continuing period of time for the exclusive use of a shipper, or (2) providing a service designed to meet the distinct needs of a shipper. This Agreement does not contemplate the assignment of motor vehicles under continuing agreements, but the contract arrangement has been designed to meet the distinct needs of the Broker. Carrier agrees to transport all commodities pursuant to this agreement in accordance with the rates, charges, rules and regulations established by the ICC and USDOT and any other applicable federal and state agencies. The Broker needs the Carrier to assume full liability for the actual loss of or injury to the property tendered to the Carrier to negate the possibility of the Carrier moving these goods on released rates with a limitation of liability. Broker imposes a further obligation on the Carrier that claims be settled in accordance with 49 C.F.R. 1005, and this is also designed to meet the distinct needs of the Broker.

8. Shipping Document Execution. The bill of lading shall note that the shipments were transported by Carrier, acting as Carrier, and that the shipment was arranged by Broker, acting as Broker. Carriers are to be named on the bill of lading as the carrier of record.

9. Broker shall pay Carrier for services rendered in an amount equal to the rates and accessorial charges agreed to on Broker's load confirmation sheet or other signed writing. Carrier must submit proof of delivery with invoices to Broker as agent for the shipper. Broker shall pay Carrier 30 days after Broker receives signed bills of lading and invoice.

11. This Agreement shall be for the period of one (1) year and shall be automatically renewed unless canceled. Either party may terminate this Agreement upon fifteen (15) days written notice.

12. Carrier will not re-broker, assign or interline the shipments hereunder without prior written consent of the Broker. If Carrier breaches this provision, Broker shall have the right of paying the monies it owes Carrier directly to the delivering Carrier, in lieu of payment to the Carrier. Upon Broker's payment to delivering Carrier, Carrier shall not be released from any liability to Broker under this agreement. In addition to the indemnity obligation reflected in this agreement the Carrier will be liable for consequential damages for violation of this clause of the agreement.

13. Safety Rating Carrier shall endeavor to maintain a satisfactory US DOT Safety Rating but under no circumstances is Carrier allowed to provide services under this contract if their safety rating falls to "unsatisfactory."
