Dental Network Plan Options

PrimeStar Advantage brings you the Ameritas dental network with features like:

- Discounted fees, typically 30% below average charges in your community
- Immediate network discounts
- One of the largest nationwide networks with over 400,000 access points and over 100,000 unique providers

Advantage Network plans are designed for those who will visit an Ameritas dental network provider. If you visit an in-network provider, your out-of-pocket costs will almost always be less because of the contracted fees (MAC/maximum allowable charge). If you visit an out-of-network dentist, you pay the difference between what the plan pays and the dentist's actual charge (MAB/maximum allowable benefit), which may result in higher out-of-pocket costs.

Visit star.ameritas.com/findadentist to find a network provider near you.

Network not available in the PA counties of Forest and Potter.

* When you visit an Ameritas Dental Network provider, Ameritas sends payment directly to the provider. When you visit an out-of-network dentist, you must pay the difference between what the plan pays and the dentist's actual charge and may have to submit your own claim.
