Edge Manufacturing Corp.  
PO Box 445  
157 Chase Road  
Christina Lake, BC  
VOH 1E0

Dear Sir/Madam,

I am writing this letter to recommend the services of Edge Manufacturing. During the past 1-1/2 years my department; Plant Services of East Kootenay Regional Hospital (EKRH) in Interior Health Authority (IHA) has been working with Mike Paul of Edge Manufacturing on numerous different kinds of projects. The company offers high quality services. I can say that we have always been satisfied by their work.

All the projects we have worked on together have pointed out the company's concern for quality and attention to detail. The company has also designed the stainless steel project work for us here at EKRH. In my opinion it has been the knowledge and the creativity of the company that resulted in such impressive finished products. Such as, the OR cabinets here at EKRH or the design and completion of a Kitchen cabinet project at another IHA site in Keremeos.

I would like to ask that Edge Manufacturing be considered for your stainless steel needs. I strongly recommend the services of the company and I am looking forward to working with the company again for future projects here at EKRH.

Sincerely,

Laine Koshlay  
Supervisor of Plant Services & Maintenance  
East Kootenay Regional Services, IHA
