

Contributions to the Sutter County Historical Society

All donations to the Historical Society are deposited in the General Fund. Monies from the General Fund are used to pay the Society's insurance premium, post office box rental, Bulletin printing and mailing expenses and other operating expenses.

All donations are greatly appreciated and help keep the Historical Society a viable entity in the community. All donations are tax deductible.

Unless otherwise requested, donations are published in the Quarterly News Bulletin on our *Memorials* page, along with the person being remembered, if appropriate. The Historical Society acknowledges all donations and sends a notice to the families of those being honored.

To make a donation, please print and complete this form and mail it with your check made out to Sutter County Historical Society (or SCHS) to PO Box 1004, Yuba City 95992.
