9 (3) Each bargaining unit member shall, in her or his professional
10 judgment, determine how to allocate and use member-directed time to
11 fulfill essential instructional and professional duties.

12 (4) The following shall be exceptions to Section 14.7.2.2(B):

- 13 i Meetings made clearly necessary by unforeseen emergency
14 circumstances provided that such meetings shall not extend
15 beyond 15 minutes in length.
- 16 ii Meetings and activities voluntarily undertaken by the
17 bargaining unit member.
- 18 iii Contacts with BTSA or PAR Teachers.

19 14.7.3 Conference and Final Examination Minimum Days

20 14.7.3.1 High Schools: Minimum days shall be scheduled for high school
21 examinations at the end of both semesters.

22 14.7.3.2 The District shall also establish minimum days at elementary and middle
23 schools for parent conferences.

1 14.7.3.3 On these minimum days unit members may leave upon completion of
2 professional duties.

3 14.8 Mandatory Faculty Meetings

4 14.8.1 Except in emergencies, mandatory meetings (including faculty meetings,
5 grade level meetings, articulation meetings, and required site staff
6 development events) shall be held on minimum days as provided in
7 Section 14.7.2.2.

8 14.8.2 Bargaining unit members shall be required to attend faculty meetings.

9 (A) “Faculty meetings” include site-mandated meetings and
10 administration/district-mandated meetings such as district department
11 meetings.

12 (B) These meetings shall be for the purpose of staff business and staff
13 development.

14 (C) Additional faculty meetings may be called only on an emergency basis when
15 conditions or issues exist that require immediate faculty involvement.

16 14.8.3 In addition to faculty meetings specified in Section 14.8.2 above, a
17 team, grade level, or department may schedule optional meetings as may
18 be necessary for team meetings, grade level meetings, department
19 curriculum or instructional strategy sessions.

20 (A) Attendance at these meetings is voluntary.

21 (B) Sign-in sheets will be kept, only to the extent required for compliance with
22 federal, state, and grant mandates and as may be necessary for bargaining
23 unit members on a remediation plan.

24

1 14.9 Adjunct Duties

2 14.9.1 The District may, from time to time, assign bargaining unit members the
3 following adjunct duties:

4 14.9.1.1 Up to two (2) after-school activities as provided in Section 14.2.5.4 and
5 14.2.5.5.

6 14.9.1.2 Student dismissal duties as set forth in Section 14.2.5.3.

7 14.9.1.3 Elementary school campus supervision and bus duties, provided the
8 following conditions are met:

9 (A) The duties must be equitably distributed.

10 (B) The school site administrator shall create a schedule for all duties after
11 consultation with, and the participation of, bargaining unit members assigned
12 to the site.

13 (C) The District and school administration will make a good faith effort to
14 alleviate any need for bargaining unit members elementary teaching grades
15 one (1) through five (5), including those teaching any kindergarten/first
16 grade combination, from having to perform supervision duties outside of
17 their regular classroom duties during the school day except during inclement
18 weather.

19 (D) Bargaining unit members teaching at an elementary school shall not be
20 required to provide campus supervision or bus duty more often than every
21 two (2) weeks or more often than once a day.

22 (E) Each site will develop a backup schedule to cover instances in which there is
23 an absence of one or more of the student supervision support staff.

1 (F) Where, due to circumstances particular to a site, it is not possible to comply
2 with the requirements set forth above in Section 14.9.1.4, the site
3 administrator shall develop a plan that complies with those requirements as
4 closely as possible and shall provide the Association with a copy of that plan
5 for review.

6 (G) The bargaining unit members do not have more than ten (10) minutes of
7 morning duty.

8 (H) The bargaining unit members have morning duty no more than one week at a
9 time and no more often than every other week.

10 14.9.1.4 General supervision duties over extracurricular student activities, such as
11 dances, performances and athletic events, shall be voluntary.

12 14.9.2 Bargaining unit members as substitutes.

13 14.9.2.1 Except as provided in this Collective Bargaining Agreement, bargaining
14 unit members shall not be required to substitute for other bargaining unit
15 members.

16 14.9.2.2 Secondary Schools

17 (A) When bargaining unit members at a secondary school are needed to
18 substitute for other bargaining unit members at that site, substitutes shall be
19 drawn from a pool of volunteers.

20 (1) Each semester, the names of the bargaining unit members
21 volunteering to substitute shall be listed and posted at each site.

22 (B) If there are not sufficient volunteers in the pool to provide coverage,
23 bargaining unit members teaching at the site may be required to involuntarily
24 substitute for the absent bargaining unit member.

1 (1) The selection of involuntary substitutes shall be on a rotation of all
2 bargaining unit members teaching at the site.

3 (2) Selection of involuntary substitutes shall be on equitably distributed
4 among bargaining unit members teaching at the site.

5 (C) Bargaining unit members who substitute for absent bargaining unit members
6 shall be compensated in one of the two following ways:

7 (1) For each period of substitution at the rate of one (1) hour of the
8 Appendix C contract hourly rate, or

9 (2) For each period of substituting, the bargaining unit member shall
10 receive one-sixth (1/6) day of accrued leave based on six periods of
11 instruction per day.⁷

12 14.9.2.3 Elementary Schools

13 (A) When bargaining unit members at an elementary school are needed to
14 substitute for other bargaining unit members at that site, substitutes shall be
15 drawn from a pool of volunteers.

16 (1) Each semester, the names of the bargaining unit members
17 volunteering to substitute shall be listed and posted at each site. The
18 list shall indicate whether the bargaining unit members on the list are
19 volunteering to include kindergarten, primary or intermediate level
20 students in the bargaining unit member's class.

⁷ Accrued leave cannot exceed amount of leave the bargaining unit member would have accrued if the bargaining unit member had not taken any leave during the bargaining unit member's employment with the Fontana Unified School District.

1 (B) If there are not sufficient volunteers in the pool to provide coverage,
2 bargaining unit members teaching at the site may be required to involuntarily
3 substitute for the absent bargaining unit member.

4 (1) The selection of involuntary substitutes shall be on a rotation of all
5 bargaining unit members teaching at the site.

6 (2) Selection of involuntary substitutes shall be on equitably distributed
7 among bargaining unit members teaching at the site.

8 (C) When elementary bargaining unit members at elementary school sites
9 substitute for other bargaining unit members, they shall be compensated for
10 each substitution in one of the two following ways:

11 (1) Financial compensation

12 i Full-day substitution is defined as six (6) hours per day.

13 ii Compensation will be based on the following formula:

14 (a) The number of hours, to nearest half hour, during which
15 the bargaining unit member substituted multiplied by
16 Appendix C contract hourly rate divided by the number
17 of bargaining unit members who substituted for the
18 absent bargaining unit member.

19 (b) This formula can be expressed as:

20
$$\frac{(\text{Number of hours substituted} * \text{Appendix C contract hourly rate})}{\text{Number of bargaining unit members who substituted}}$$

21

1 (2) Accrued leave based on the number of students above the Target
2 Ratio set forth in Article 15 and the total time of substitution.⁸

3 i By way of example, in first (1st) through third (3rd) grades
4 where the Target Ratio is 20 students, providing substitute
5 coverage for 20 students would result in one (1) full day or
6 six (6) hours of accrued leave.

7 14.10 Bargaining unit members shall not be assigned duties normally performed by district
8 classified or administrative staff.

9 14.11 Elementary School Parent Conferences

10 14.11.1 At or near the end of the first quarter, up to five (5) minimum days shall
11 be scheduled for elementary school parent conferences for bargaining unit members
12 teaching at the site and the parents or guardians of bargaining unit members'
13 students.

14 14.11.2 The Association and the District shall consult with each other and
15 mutually develop guidelines for giving notice about, and holding, parent
16 conferences.

17 14.12 Classroom Sharing

18 14.12.1 Definitions:

19 14.12.1.1 Roving Model:

20 (A) "Roving" shall mean as follows:

⁸ Accrued leave cannot exceed amount of leave the bargaining unit member would have accrued if the bargaining unit member had not taken any leave during the bargaining unit member's employment with the Fontana Unified School District.

1 (1) At the elementary school level, roving is a system in which identified
2 bargaining unit members move to a new classroom each time a track
3 ends.

4 (2) At the secondary school level, roving is a system in which a
5 bargaining unit member has no assigned classroom and teaches in
6 two or more classrooms daily.

7 14.12.2 Every effort shall be made to exempt the following bargaining unit
8 members from a required classroom sharing assignment:

9 14.12.2.1 Bargaining unit members with one year or less teaching experience,

10 14.12.2.2 Bargaining unit members teaching special education and severely
11 handicapped students, and

12 14.12.2.3 Bargaining unit members who are referred to Peer Assistance and Review
13 (PAR).

14 14.12.2.4 Bargaining unit members teaching kindergarten shall be exempt from any
15 roving requirements.

16 14.12.3 In the event that the bargaining unit members specified in Section 14.12
17 are required to participate in a classroom sharing arrangement, they shall not be
18 assigned to serve as the roving classroom in a roving model.

19 14.12.3.1 Notwithstanding the above, if a first year inexperienced bargaining unit
20 member is assigned to rove due to the need to create a class or to assign a
21 bargaining unit member to the class after the beginning of the school year,
22 the bargaining unit member assigned to rove shall be exempt from roving
23 for the following school year.

1 14.12.4 Bargaining unit members assigned to secondary sites and who have an
2 assignment involving roving.

3 14.12.4.1 Volunteers shall be assigned first.

4 14.12.4.2 After all volunteers have been utilized, further classroom sharing shall be
5 equitably distributed.

6 (A) Every effort shall be made to assure that no bargaining unit member shall be
7 required to classroom share two consecutive years/terms.

8 (B) Every effort shall be made to ensure the close proximity and subject
9 compatibility of assigned rooms.

10 14.12.4.3 Each bargaining unit member involved in classroom sharing shall be
11 provided a workspace at the site to which the bargaining unit member is
12 assigned. The workspace shall include a locking desk and a locking filing
13 cabinet, as well as access to a faculty phone and computer workstation.

14 14.12.4.4 Basic supplies, which are normally made available by the school, shall be
15 made available in each room used in a classroom share assignment.

16 14.13 Kindergarten Workday

17 14.13.1 Kindergarten Grade Span Adjustment

18 14.13.1.1 Definitions

19 (A) “Kindergarten Teacher of Record” shall mean the kindergarten teacher to
20 whom all the students in a class are assigned during the full kindergarten
21 instructional day.

22 (B) The “Partner Kindergarten Teacher” shall mean a teacher who provides 100
23 minutes of Language Arts and Math instruction to subgroups of twenty (20)

1 students or less in another kindergarten teacher of record's AM-PM
2 kindergarten class.

3 14.13.1.2 Basic Kindergarten Workday:

4 (A) The basic kindergarten workday for bargaining unit members teaching in an
5 AM-PM kindergarten, described in Section 14.13.7.5 below, shall be four
6 hundred and twenty (420) minutes, excluding lunch, comprised of the
7 following components:

8 (1) 100 minutes of instructional time teaching exclusively language arts
9 and math to the class for which the bargaining unit member is the
10 teacher of record. This time is concurrent with the time during which
11 a Partner teacher is providing instruction in language arts and math as
12 provided in Section 14.13.1.2(A)(3) in the same classroom.

13 (2) 100 minutes of total student instructional time teaching math,
14 language arts, science, social science, motor development and
15 English language development to a class for which the bargaining
16 unit member is the teacher of record.

17 (3) 100 minutes of shared time providing math and language arts
18 instruction to twenty (20) or fewer students in another AM-PM
19 kindergarten class.

20 (4) Thirty (30) minutes before beginning of school day as provided in the
21 California Code of Regulations, Title 5, Section 5570.

22 (5) 90 minutes daily of member-directed preparation time.

23 (B) The basic kindergarten workday for bargaining unit members teaching in a
24 staggered day kindergarten, described in Section 14.13.7.6 below, shall be

1 four hundred and twenty (420) minutes, excluding lunch, comprised of the
2 following components:

3 (1) 100 minutes used exclusively for math and language arts instruction
4 to an “early group” of students.

5 (2) 100 minutes used exclusively for math and language arts instruction
6 to a “late group” of students.

7 (3) 100 minutes of instructional time used teaching math, language arts,
8 science, social science, motor development and English language
9 development to the early group and late group combined.

10 (4) Thirty (30) minutes before beginning of school day as provided in the
11 California Code of Regulations, Title 5, Section 5570.

12 (5) 90 minutes daily of member-directed preparation time.

13 14.13.2 Each school site shall develop a plan to provide for two (2) daily “health
14 and welfare” breaks from student contact duties for each bargaining unit members
15 teaching kindergarten.

16 14.13.2.1 The District will ensure, to the extent possible, that all bargaining unit
17 members teaching kindergarten are provided traditional kindergarten
18 teaching facilities or that their classrooms are as close to restroom facilities
19 and drinking fountains as feasible.

20 14.13.2.2 A variety of strategies may be used to implement health and welfare
21 breaks within the instruction day provided as follows:

22 (A) The specific plan used by each school shall be agreed upon by the bargaining
23 unit members teaching kindergarten at the site and the site administrator,

1 (B) The plan does not involve a loss of the bargaining unit member's class'
2 instructional minutes more than necessary for the bargaining unit member to
3 utilize bathroom facilities and return to class,

4 (C) The plan is approved by the district, and

5 (D) The plan is consistent with applicable law and the policies of the District
6 Board of Education, including those governing kindergarten instructional
7 minutes.

8 14.13.3 Inasmuch as bargaining unit members who teach kindergarten do not
9 participate in minimum days under Section 14.1.1 they shall not be required to
10 attend faculty meetings. The site administrator shall establish other means,
11 consistent with the provisions of this Collective Bargaining Agreement, for
12 communicating essential information that was part of site faculty meetings to
13 bargaining unit members teaching kindergarten.

14 14.13.4 Minimum Day Compensation

15 14.13.4.1 Bargaining unit members teaching in a "PM" kindergarten under an AM-
16 PM kindergarten arrangement under Section 14.13.7.5 and bargaining unit
17 members who teach in a staggered day kindergarten under Section
18 14.13.7.6 will be compensated annually for two minimum days at their per
19 diem rate of pay for the end-of-semester minimum days.

20 14.13.4.2 Those kindergarten teachers who can be released from the daily 100
21 minutes will be released from 100-minute instructional responsibilities in
22 order to participate in the end-of-semester minimum days.

23 14.13.5 Kindergarten Parent Conference Procedures

1 14.13.5.1 Kindergarten Teachers of Record who have more than twenty (20)
2 students shall receive additional compensation for ten (10) hours at their
3 per diem rate of pay for parent conferences duties.

4 (A) Kindergarten Teachers of Record who have 20 or fewer students will be
5 ineligible for additional compensation for parent conferences but they will be
6 released from instructional responsibilities during the scheduled parent
7 conference week.

8 14.13.5.2 The Kindergarten Teacher of Record may schedule parent conferences
9 during any portion of their normal workday, except times in which they
10 have duties involving student contact.

11 14.13.5.3 Regardless of when parent conferences are held by the bargaining unit
12 member, each Kindergarten Teacher of Record will be paid for parent
13 conferences as provided in Subsection 14.13.5 above.

14 14.13.6 Kindergarten planning is expected to be a collaborative, participatory
15 process involving the site administrator and bargaining unit members teaching
16 kindergarten.

17 14.13.7 Selection of kindergarten class models

18 14.13.7.1 After consultation and discussions with bargaining unit members teaching
19 kindergarten and after considering possible solutions and proposals
20 presented by bargaining unit members teaching kindergarten, the school
21 administration will have the final authority with regard to the models to be
22 used at each individual school site for the implementation of kindergarten
23 class size reduction, provided the following criteria are met:

1 (A) The model or models must be feasible under the school site's program
2 facilities, scheduling, staffing, program elements, and other constraints.

3 (B) A model will not be considered feasible if the use of that model under
4 provisions of this agreement requires that one currently assigned bargaining
5 unit member displace another currently assigned bargaining unit members
6 from that bargaining unit member's grade or track assignment.

7 14.13.7.2 If a conflict regarding the selection of kindergarten class models at a site is
8 not resolved at the school site, the Association President (or the President's
9 designee) and the District's Assistant Superintendent for Personnel
10 Services (or Assistant Superintendent's designee) will meet with the
11 school administration and the planning committee of the school to discuss
12 and consider the conflict.

13 14.13.7.3 After each school has identified the model or models which will be used at
14 that individual school site, decisions with regard to the assignment of
15 individual bargaining unit members to a classroom will be governed by the
16 following:

17 (A) After feasibility issues in Section 14.13.7.1 have been resolved, assignment
18 to kindergarten classes will be based on bargaining unit member preferences
19 as follows:

20 (1) The bargaining unit member with the most grade level seniority shall
21 be offered the assignment of her or his choice.

22 (2) If two or more bargaining unit members have the same grade level
23 seniority, the assignment shall be offered to the bargaining unit
24 member with the most school site seniority.

1 (3) If two or more bargaining unit members have the same grade level
2 seniority and the same school site seniority, the assignment shall be
3 offered to the bargaining unit member with the most district seniority.

4 14.13.7.4 The selection of the appropriate models for kindergarten at each individual
5 site will be made annually.

6 14.13.7.5 AM-PM (Shared Teaching) Kindergarten Model

7 (A) In schools using this model, the Kindergarten Teacher of Record teaches a
8 class of up to the size specified in Article 15 of this Agreement while a share
9 kindergarten teacher teaches language arts and math to a subgroup of twenty
10 (20) students or less for one hundred (100) minutes. The Kindergarten
11 Teacher of Record and a Partner kindergarten teacher then reverse their
12 respective roles with the previous Kindergarten Teacher of Record becoming
13 the Partner kindergarten teacher and the previous share kindergarten teacher
14 becoming the Kindergarten Teacher of Record for a second class up to the
15 limits specified in Article 15 of this Agreement.

16 (B) Within constraints imposed by student transportation needs, students shall be
17 assigned to the AM-PM kindergarten classes in a way that ensures that all
18 kindergarten classes at that the school are of reasonably equivalent size.

19 (C) Team Planning under the AM-PM Kindergarten Model.

20 (1) The Kindergarten Teacher of Record and kindergarten Partner teacher
21 shall mutually develop a responsibility plan for implementing the
22 language arts and mathematics portions of the kindergarten program.

23 (2) If the Kindergarten Teacher of Record and the Partner teacher are
24 unable to come to a consensus on any significant matter, they shall

1 meet with the school administrator who will assist them in
2 developing an acceptable plan.

3 (3) The school administrator shall give primary consideration to the
4 continuity of the Kindergarten Teacher of Record's program and
5 classroom plan.

6 (4) If a mutual agreement, acceptable to the site administrators, cannot be
7 reached, the site administrator will have the final authority to resolve
8 the dispute.

9 (5) In the event a problem arises once the plan has been implemented, all
10 parties will meet to resolve the problem.

11 (6) Resolutions of any disputes shall be reduced to writing.

12 (D) The kindergarten Teacher of Record and Partner kindergarten teacher
13 working will both be paid for up to an additional one (1) hour per week at
14 their per diem rate for time actually spent in joint planning for teaching their
15 respective classes.

16 14.13.7.6 Staggered Day Kindergarten Model

17 (A) As described in Section 14.13.7.6(B) below, the staggered day kindergarten
18 model involves only one bargaining unit member as the teacher of record
19 without the support of another bargaining unit member. The staggered day
20 kindergarten provides for a twenty-to-one (20:1) ratio for one hundred (100)
21 minutes for each of two groups of students that together constitute one class
22 of a size that does not exceed the limits set forth in Article 15 of the
23 Agreement.

24 (B) The staggered day kindergarten day has three segments:

1 (1) The Kindergarten Teacher of Record teaches an initial student group
2 (the “early group”) of no more than twenty (20) students for one
3 hundred (100) minutes of instructional time. This period of time
4 must be devoted exclusively to instruction in language arts and
5 mathematics.

6 (2) A second student group (the “late group”) of no more than 20
7 students joins the initial student group. The Kindergarten Teacher of
8 Record teaches both groups together for one hundred (100) minutes.

9 (3) The early group is then dismissed, and the Kindergarten Teacher of
10 Record teaches the late group for one hundred (100) minutes of
11 instructional time. This period of time must be devoted exclusively to
12 instruction in language arts and mathematics.

13 (C) Within constraints imposed by student transportation needs, students shall be
14 assigned to staggered day kindergarten classes at the school in a manner that
15 ensures that all kindergarten classes and the early and late groups within the
16 staggered day kindergarten classes are of reasonably equivalent size.

17 14.13.7.7 If an individual school site develops a viable kindergarten model that is not
18 contained in this agreement, the school will be given the opportunity to
19 jointly consult with the Association President and Assistant
20 Superintendent, Human Resources.

21 (A) If a model receives district approval, compensation of bargaining unit
22 members under that model will be proportionate based on the model
23 contained in this agreement (using any average increase in required student
24 contact minutes as the basis for increased compensation), and

1 (B) The Association President will have the power to agree to a compensation
2 plan on behalf of the Association.

3 14.14 Workdays of bargaining unit members not specifically addressed in the foregoing
4 Agreement provisions.

5 14.14.1 The Association and District acknowledge that the work year and
6 workday provisions of Article 14 above do not specifically or adequately address
7 the needs and requirements of certain groups of bargaining unit members. These
8 include, but are not limited to, the following:

9 14.14.1.1 Bargaining unit members teaching early childhood and preschool students;

10 14.14.1.2 Bargaining unit members providing nursing, counseling, library, adaptive
11 physical education, visual and hearing impaired, RSP, Special Day Class
12 (SDC) and special education services to students in the district.

13 14.14.1.3 Bargaining unit members providing special support to students and the
14 classroom, including Reading First and Title I coaches.

15 14.14.2 The Association and District agree as follows:

16 14.14.2.1 The provisions of Article 14 above shall be reasonably interpreted as
17 necessary to provide guidance and protection in the work year and work
18 day of the bargaining unit members specified in 14.14.1 by implication if
19 not by specific mention in the Article.

20 14.14.2.2 The bargaining unit members specified in 14.14.1 shall not be subject to
21 work year or workday requirements more stringent or severe than other
22 bargaining unit members who are specifically addressed in Article 14.

1 14.14.3 The Association and District further agree that they shall engage in
2 discussion and negotiations aimed at developing provisions in Article 14 that
3 address the specific needs of bargaining unit members specified in 14.14.1.

4 14.14.3.1 It is the intent and goal of the Association and the District that these
5 discussions and negotiations shall result in provisions addressing the needs
6 of bargaining unit members specified in 14.14.1 by the end of the 2009-
7 2010 school year.

8 14.15 Definitions: In interpreting the provisions of this article, the following definitions of
9 words and terms shall apply:

10 14.15.1 Adjunct Duties: “Adjunct duties” shall mean those duties performed
11 before the beginning or after the end of the school day.

12 14.15.2 GSA: “GSA” shall mean Grade Span Adjustment.

13 14.15.3 SLP: “SLP” shall mean Speech Language Pathologist and indicates
14 bargaining unit members who offer services to students with language, speech and
15 hearing difficulties.

16 14.15.4 RSP: “RSP” shall mean Resource Specialist Program and indicates
17 bargaining unit members who provide education services to students within a small
18 group setting who have been identified as having special learning needs.

19 14.15.5 SDC: “SDC” shall mean Special Day Class and indicates bargaining unit
20 members who teach students with moderate learning disabilities.

21 14.15.6 Secondary schools: Unless indicated otherwise, “secondary schools”
22 shall mean middle schools, high schools and continuation schools.
