

Red Cedar Co-Op Newsletter

January/February 2023

- **WELCOME NEW BOARD MEMBER:** Please welcome and thank Becky Shilling for her willingness to be a part of the Board.
- **WELCOME NEW NEIGHBORS:** Holly Lacina (537 Red Cedar), Polly Elder (464 Red Cedar), and Marion Waldron (465 Red Cedar)
- **SALTING SIDEWALKS:** As a trial run for the rest of the year, Barkham will clean sidewalks of snow and leave them for us to salt on our own, letting us decide how much to use or not use. If it does not work, we'll suggest having Barkham resume doing this next winter
- **MAINTENANCE OF FURNACES AND BOILERS:** Myer Heating will be contacting 27 units in the neighborhood this year to schedule maintenance on heating units. This is a 3-year cycle and 1/3 of the units will be done each year.
- **BRUSH PILE:** For the brush pile that is accumulating down by the cul-de-sac, please do not include anything besides brush. No bricks, pavers, flower pots, wire etc. In addition, please do not dump shrubs, brush or limbs at the opening to the river walk across from 1102 Riverview Ct. Thank you.
- **SNOW REMOVAL IN PARKING SPOTS:** If you are home when Barkham cleans the road of snow, after they've finished in the road if you move your car from your parking spot out into the road, they will clean your spot for you.

Next Board Meeting:
