

KENNEL, COMMERCIAL

Any premises or portion thereof on which 4 or more dogs and/or 9 or more cats are maintained, harbored, possessed, trained, bred, boarded, or cared for in return for compensation, but not including an animal clinic, animal hospital, or veterinary office. If located in a residential zone, the owner's property must include at least three acres and there shall be no more than 10 animals for each acre of property.

Commercial Kennels will be allowed as a conditional use in R-1 zones.

KENNEL, HOBBY

A facility located at the private dwelling of the dog owner, where 4 to 10 of the owner's dogs are maintained for purposes of breeding, hunting, organized field trials, obedience or training, competition, security or for personal enjoyment.
