Lloyd is a person who always utilizes the utmost respect and confidentiality in each task he is asked to perform. He exudes a professionalism in his assessment and valuation of the task at hand as well as in his communication with those involved. His attention to even the most minor detail can provide for the most desired outcome in any situation.

I highly recommend Lloyd for any executive protection you may need whether in a business or on a personal level. He serves as a CEO in several companies and maintains a thorough dedication to each of them as well as his clients.

Don't hesitate to contact him regarding any security need you may have.

**Michael Nemec**

Realtor at Platinum Property Int'l

Lloyd is a true professional who displays integrity and hard work which he has proven to me every time at our business meetings. His attention to detail shows in the many ways that he puts his words into action. You can count on Lloyd as someone who takes care of business with honesty, straight forwardness, and tireless effort through which he has overcome obstacles no matter what the degree of difficulty or situation.
