Purebred Gelding of 2002 – 15 Hands – AHA Sweepstakes

Wonderful all-around purebred gelding suitable for intermediate or better rider in a number of disciplines! Horses like this are very hard to find. He is absolutely beautiful, well-broke, and low maintenance. Video shows him after two weeks of work following several years of just being a pasture horse. He has come back into form very quickly and with a cheerful attitude. Very sweet, personable horse with all kinds of possibilities for show, pleasure, and being the drop-dead gorgeous best friend we all want for an equine partner. Clips, loads, bathes, stands for the vet and farrier, etc. Just an all around good boy!
