Ordinance _____.

An Ordinance providing for the improvement of Fifth Avenue in the City of Dermott, Kansas, from the West line of Oak Street in said City west to the East line of Maple Street in said City and ordering the grading, curbing, guttering and paving of same, and providing for the payment of the cost thereof.

Whereas, a majority of the resident property owners fronting on Fifth Avenue in blocks 47, 48, 49, 50, 51, 52, 53, 54 according to the original plat of said city, on said Fifth Avenue, where said improvement is to be made, have signed a petition to the Board of Commissioners of said City of Dermott, to have said Fifth Avenue graded, curbed, guttered and paved in front of and between said blocks, and said petition having been presented to said Board and said Board having carefully examined and investigated said petition as to the sufficiency thereof to require said Board to make said improvement. Said Board finds that a majority of all of the resident property owners abutting on said Fifth Avenue in said blocks have signed said petition and it is by said Board duened and found to be necessary that said improvement be made.

Therefore, be it ordained by the Board of Commissioners of the City of Dermott, Kansas.

Section 1- That Fifth Avenue in said City from the west line of Oak Street, west to the east line of Maple Street, in said city be graded, curbed, guttered and paved; and curb and gutter shall be of cement concrete, and said gutter shall be 24" wide; said paving shall be of No. 1 Reprocessed Vitrified Brick of brick blocks, on 4" concrete base on a sand cushion 2" deep after same has been thoroughly tamped and packed, or with Asphaltic concrete on said base, or with asphalt on said base, or with Portland cement concrete not less than 6" thick. Said paving to be 24 feet wide or thereabouts. Said improvement shall include the intersection of 5th. Avenue and ~~Pair St.~~ Walnut St., Elm St, Vine Street, ~~and Maple~~ Street, and the construction and adjustment of all sidewalk extensions from lot to curb line and the grading and finishing of all parking and the construction of intersection and extensions.

Section 2- That for the purpose of providing for the payment of the cost of curbing, guttering and paving said Avenue, and for doing all grading and excavating for the same, except the squares and areas formed

by the intersections of ~~Oak~~, Walnut, Elm, Vine and ~~Maple~~ Streets, after the same be ready brought to grade as provided by law, the assessment shall be made for each block separately on all lots, to the center of the block on either side of the street the distance to be improved, according to the assessed value of the lots, without regard to the buildings and improvements thereon, which value shall be ascertained by three disinterested appraisers appointed by the Board of Commissioners. And the ~~said~~ said Commissioners shall provide for the cost of said improvement in ten equal amounts, payable one each year from one to ten years. Said bonds shall bear interest at a rate not to exceed five and one-half per cent per annum and said interest shall be payable semi-annually. For each of said installments of interest on all sums unpaid, coupons shall be attached to said bonds. Special assessments shall be made each year to pay the installments of the principal sum interest on such bonds next three after maturing and such assessments shall be made upon the property chargable for the cost of such improvement, and levied and collected in manner each lot above named, according to the assessed valuation thereof as hereinbefore provided, but the assessed valuation of the property in ~~the~~ for such cost which is established for the first year's assessment shall be retained for the assessment for the succeeding installments of such bonds. The owner of any lot liable to such assessment may at any time within thirty days after the amount due from such lot is ascertained and before the bonds herein provided for are issued, pay his proportion of such assessment to the City Treasurer, and his property so paid shall not thereafter be liable for any further assessment for the cost of said work, nor for said bonds. That for the purpose of providing for the payment of the cost of paving and improving the squares and areas formed by the intersections of ~~Oak~~, Walnut, Elm, Vine and ~~Maple~~ Streets, and for the construction and adjusting of all side-walk extensions from lot to curb lines, the grading and finishing of all parkings, the construction of needed catch basins and extensions, and bringing said Avenue to grade, an assessment shall be made upon all the taxable property of the city and the Board of Commissioners shall issue special improvement bonds of said City, and levy taxes and assessments in addition to all other taxes and assessments now authorized by law, to pay said bonds and the interest thereon. Said bonds shall be issued in ten equal amounts, payable one each year from one to ten

proved; said bonds shall bear interest at not to exceed five and one-half per cent per annum and said interest shall be payable semi-annually. For each of such ~~bonds~~ payments of interest on all sums unpaid, coupons shall be attached to said bonds.

ORDINANCE NUMBER 420 in the City of Garnett

An ordinance providing for the improvement of Oak Street, from the north side of Second Avenue in said City to the north end of Oak Street, and ordering the grading, curbing, guttering and paving of the same and providing for the cost thereof.

WHEREAS, a majority of the resident property owners fronting on Oak Street, in the City of Garnett, in Anderson County, Kansas, from the north side of Second Avenue, in said City to the north end of said Oak Street, have signed a petition to the board of commissioners of said City to have said Oak Street, from the north side of Second Avenue, in said City, to the north end of said Oak Street graded, ~~graded~~, curbed, guttered and paved, from the north side of Second Avenue, in said City to the north end of said Oak Street, and said petition having been presented to said board and said board having carefully examined and investigated said petition as to the sufficiency thereof find that a majority of the resident owners of property abutting on said Street from the north side of Second Avenue to the north end of said Oak Street have signed said petition, and said improvement being deemed necessary;

Therefore, Be it ordained by the board of commissioners of the City of Garnett, Kansas:

Section 1. That Oak Street in said City, from the north ~~the~~ side of Second Avenue to the north end of said Oak Street, be ~~graded~~ graded, curbed, guttered and paved. The said curb and gutter shall be of cement concrete, and said gutter shall be twenty four inches wide, said paving shall be of No. 1 Repressed Vitrified brick or blocks, on a four inch concrete base on a sand cushion two inches deep, after the same has been thoroughly tamped and packed; or with asphalticconcrete on not less than four inch concrete base, or with Portland cement concrete not less than six inches thick, said paving to be 26 feet wide, between the curbs. Said improvements shall include the intersection of First Avenue on said Oak Streetand the construction and adjustment of all side walk extensions from lot to curb lines, and the grading and finishing of all parkings and the construction of needed catch basins and extensions.

Section 2. That for the purpose of providing for the payment of the cost of curbing, guttering and paving said street and for doing all grading and excavating; for the same, except for the squares and areas formed by the intersection of First Avenue, after the same has been brought to grade as provided by law the assessment shall be made for each block separately on all lots to the con-

ter of the block on either side of said street the distance to be improved, according to the assessed value of the lots or parcels of ground without regard to the buildings and improvements thereon, which value shall be ascertained by three disinterested appraisers appointed by the board of commissioners. And the said board of commissioners shall provide for the cost of said improvements in ten installments of equal amounts, payable one each year, from one to ten years. Said bonds shall bear interest at the rate not to exceed five and one half per cent per annum, and said interest shall be payable semi-annually. For each of said installments of interest on all sums unpaid, coupons shall be attached to said bonds. Special assessments shall be made upon the property chargeable for the cost of such improvement, and levied and collected against each lot above named according to the assessed valuation thereof as hereinafter provided, but the assessed valuation of the property liable to such cost which is established for the first year's assessment shall be retained for the assessment for the succeeding installments of such bonds. The owner of any lot liable to such assessment may, at any time within thirty days after the amount due from such lot is ascertained and before the bonds herein provided for are issued pay his proportion of such assessment to the city treasurer, and his property so paid shall not be thereafter liable for any further assessment for the cost of said work, nor for said bonds. That for the purpose of providing for the payment of the cost of paving and improving the squares and areas formed by the intersection of First Avenue and for the construction and adjusting of all sidewalk extensions from lot to curb lines the grading and finishing of all parking, the construction of needed catch basins and extensions, and bringing said avenue to grade, an assessment shall be made on all the taxable property of the city, and the board of commissioners shall issue special improvement bonds of said city and levy taxes and assessments in addition to all other taxes and assessments now authorized by law, to pay said bonds and the interest thereon. Said bonds shall be issued in ten equal amounts payable one each year from one to ten years. Said bonds shall bear interest at not to exceed five and one half per cent per annum, and said interest shall be payable semi-annually. For each of said installments of interest on all sums unpaid, coupons shall be attached to said bonds. Section 3. This ordinance shall take effect and be in force from and after its passage and publication according to law.

ORDINANCE NO. 973

An ordinance regulating riding, driving, travel, and traffic in and upon the public streets, lanes, alleys and avenues of the city of Garnett, Kansas, providing a penalty for the violation thereof, and repealing Ordinances 671 and 708 and all ordinances and parts of ordinances in conflict herewith.

Be it ordained by the Board of Commissioners of the city of Garnett, Kansas:

SECTION 1. The owner, operator, driver, or person in charge of any cart, dray, wagon, coach, omnibus, automobile, taxicab, carriage, buggy, motorcycle, tricycle, bycycle, or other vehicle used, propelled or driven upon the streets of the city of Garnett, Kansas, and all pedestrians and equestrians thereof, shall conform to and observe the following rules and regulations on all such streets, lanes, alleys, avenues and public places in said city.

DEFINITIONS.

SECTION 2. For the purpose of this ordinance the following terms are defined as follows, to-wit:

(a) The word "vehicle" includes equestrians, led horses and everything on wheels or runners except baby carriages.
(b) The word "driver" includes the rider or driver of horses, the rider of wheels, and the operator of a vehicle or motorcycle.
(c) The word "horses" includes all domestic animals.
(d) The term "congested district" as used in this ordinance shall include the following streets:

Fourth Avenue from Walnut Street to Main Street.
Fifth Avenue from Walnut Street to Main Street.
Sixth Avenue from Oak Street to Main Street.
Seventh Avenue from Oak Street to Main Street.
Eighth Avenue from Oak Street to Main Street, and all intersecting streets here named.

EQUIPMENT.

SECTION 3.

(a) Every motor vehicle except motorcycles being operated or driven upon any of the streets, alleys, or other public places in the city of Garnett, Kansas, shall be equipped with two (2) headlights located: one near either side of the front of the vehicle giving a white light so that the driver may plainly see the street, road, or object ahead of the vehicle for a reasonable distance ahead within which the vehicle could readily be stopped, and shall be provided with shades, dispersive or colored lenses, or etched or ground glass so that the lights will appear blurred and indistinctly defined and the lights emitted shall be deffused and free from brilliant or metallic lustre and said lights shall be such as will not blind or dazzle other users of the highway or interfere with or hinder them in the use of the highway or make it difficult or unsafe for other users to ride, drive or walk thereon, and shall have a red light on the rear which lights shall be constantly in use when the vehicle is moving between one hour after sunset and one hour before sunrise.

(b) All motorcycles and other motor vehicles running on less than four wheels and bycycles shall be equipped with one headlight and one tail-light of the same general character to be used the same as those described herein.

(c) All motor and self-propelled vehicles except baby carriages and toy wagons shall be equipped with a suitable bell or horn or other suitable signal and with suitable brakes which must be kept in good order.

(d) All vehicles using gasoline or other explosive substance as a motive power shall be equipped with a muffler which shall be sufficient to deaden the sound of the explosions and prevent disturbing noises.

(e) No vehicle shall be operated with a cutout or similar device which will permit the exhaust to escape other than through a suitable muffler.

(f) No signal, commonly called a siren horn, shall be used upon any motor vehicle except by the fire department, and ambulances and unnecessary use of any such horn or signal is prohibited.

(g) Every vehicle with a cutout or similar device shall be presumptive evidence of the unlawful use thereof.

(h) All motor vehicles must be registered as required by law and carry the official number plate furnished by the Secretary of State for the current year which shall be conspicuously displayed on the rear of such vehicle and from one hour after sunset until one hour before sunrise and shall be so lighted as to be plainly readable at a distance of fifty (50) feet, except that persons residing in another state may temporarily operate their motor vehicles in said city without such number plate if such vehicle has been duly registered in the state of his residence and carries the number plate as provided for in such state.

DRIVING REGULATIONS

SECTION 4.

(a) A vehicle meeting another shall pass on the right.

(b) One desiring to pass another vehicle going in the same direction shall notify the other by appropirate signals and the one ahead shall drive to the right and the one passing shall pass to the left of the other, but must return to the right as soon as the vehicle is passed, but not until entirely clear of it, but no vehicle shall pass another moving in the same direction on any street intersection or railroad crossing or when the one being passed is meeting or about to meet another vehicle or person.

(c) All vehicles and animals shall be driven or ridden as near the right side of the street as practicable, and when the street is of sufficient width it shall be driven on the right side of the center line of the street except in passing another going in the same direction or in passing any obstruction in the street or for other necessary cause. Slow moving vehicles shall keep as close as possible to the right curb.

(d) A vehicle turning into another street to the right shall turn the corner as near to the right hand curb as possible.

(e) A vehicle in turning to the left from one street to another or turning around in any street must be driven past the middle of the intersecting street where the turn is made before commencing to turn and shall be at all times in so turning kept to the right of the center of the street intersection.

(f) No vehicle shall be turned around or make a U-turn at the intersection of Fourth Avenue and Oak Street or at the intersection of Fifth Avenue and Oak Street or at the intersection of Sixth Avenue and Oak Street, but shall proceed straight ahead or turn into the intersecting street.

(g) Vehicles being operated in the congested district shall not be turned around in any street or cross from one side of the street to the other between intersections.

(h) The horn, bell or other suitable signal shall be sounded upon approaching a crossing or when desiring to pass another vehicle or person going in the same direction, before backing and when emerging from any garage or filling station or other place off the street, and at all other times when to sound it, the same would lessen the danger of collision.

(i) No vehicle shall so occupy any street as to interfere with or interrupt the passage of other vehicles.

(j) No vehicle or animal shall be stopped on any intersection or within fifteen feet thereof at any time, and shall not be stopped at any other place on any street, alley or driveway other than for mere temporary purposes, or to be parked, except as provided in this ordinance.

(k) Every person driving, operating or propelling any vehicle shall stop the same immediately upon the request or signal of any police officer so to do.

(l) Vehicles approaching or upon an intersection shall give the right of way to those approaching from the right.

(m) Traffic posts or markers may be established at or near the center of the street intersection, and all travel must go to the right of them.

(n) Vehicles must not be backed in any street except so far as may be necessary to back out from the curb or parking place and proceed in the direction it was going when parked, and in no event shall any vehicle be backed into another street, alley, or intersection, and in backing care must be used not to obstruct or interfere with traffic.

(o) Upon the approach of any fire wagon, truck or apparatus, police patrol or ambulance, every vehicle shall draw as near as practicable to the right curb and stop and remain at a standstill until such fire wagon, truck or apparatus, police patrol or ambulance shall have passed and no vehicle shall trail or follow such wagon, truck or apparatus, closer than three hundred feet.

(p) No vehicle except those used by the fire department, police department or ambulance, shall be driven through any funeral or other procession.

(q) Use of the spot light or other dirigible light in driving is prohibited except temporarily when one or more of the head lights have broken or gone out and for other mere temporary purposes, and it shall be unlawful to direct the rays of any light known as the spot light upon an approaching vehicle or upon any person.

(r) No two or more vehicles shall drive abreast except in passing each other.

(s) No person shall drive or ride over any street being repaired or improved when to do so would impair or hinder the work and when barriers or warning signs or lights have been placed to protect any such work or to stop travel or warn person of danger it shall be unlawful to drive over, injure or remove them.

(t) The police of the city, and the sheriff and under sheriff and deputy sheriff of Anderson County, are hereby designated as traffic officers and they may at any time direct the travel over any intersection and travelers must obey their directions and signals which shall take precedence over any other provisions of this Ordinance.

(u) The provisions of this Ordinance relating to speed and rights of way shall not apply to physicians or surgeons, or police or fire wagons, or ambulances when answering an emergency call demanding excessive speed, but to be relieved from said provisions, the horn, bell or other signal shall be constantly sounded while exceeding said speed limit, or taking the right of way from others and care commensurate with conditions shall be exercised.

(v) No person operating a self-propelled vehicle shall permit the motors or same to operate in such a manner as to visibly emit an unduly great amount of steam, smoke or products of combustion from exhaust pipes or openings.

PEDESTRIANS

SECTION 5.

(a) In crossing streets pedestrians shall not go diagonally across any intersection but must follow as nearly as possible the lines projected from the sidewalks, and the police may mark off crossing for pedestrians and when that is done they must keep within the lines marked off.

(b) Persons must not stop or stand in the driveway or any street except for necessary temporary purposes.

(c) Neither vehicles nor pedestrians have any right of way over the other but both must endeavor not to unnecessarily obstruct or impede the other in the use of the street.

(d) No one shall ride or jump upon or into any vehicle without the consent of the driver, nor shall any person hang onto any vehicle whatsoever.

(e) No person not the owner or operator thereof, shall enter without permission of the owner, or hamper, meddle or interfere with or use any motor vehicle or start or attempt to start the machinery thereof while standing still, or puncture or otherwise mutulate the tires or mark/otherwise deface the body or any other portion thereof, or take or remove from said automobile or other motor vehicle any part or portion of the machinery, tools, or equipment, or throw, cast or hurl any stone, rock, glass or other missile at any automobile, or motor vehicle or the occupant thereof; provided however, that for the purpose of getting away from the place standing, a driver may move another vehicle which is so placed that he cannot get his vehicle out.

SIGNALS.

SECTION 6.

(a) When about to turn, stop or back, and before doing so, the driver must indicate with his hand or other suitable signal his intention in that respect. The hand extended out and upward shall indicate a turn to the right, out and downward a turn to the left and straight out, a stop, and waving the hand up and down will indicate an intention to back. Any other signal that clearly indicates the driver's purpose may be used.

STOPPING AND PARKING.

SECTION 7.

(a) Vehicles shall be parked as near the right curb and parallel with it as possible except in the congested district and no car or other vehicle shall be parked on the left side of any street and no vehicle shall be parked within fifteen (15) feet of any sidewalk crossing or within twenty (20) feet of any fire hydrant

or gasoline or air filling device or in front of any entrace to a fire department curb or other public building or place in such position as to prevent another vehicle from using such entrance or from moving up close and parallel with the curb in front of such entrance nor shall any vehicle be parked or left standing so as to prevent another vehicle already stopped from moving away.

(b) The police may mark off parking spaces and when that is done vehicles shall be parked in these spaces and not elsewhere.

(c) Between the hours of midnight and sunrise no vehicle shall be parked for a longer period than two hours in any one place in any street or alley and while parked shall be equipped and exhibit a signal light visible to drivers of passing vehicles for a distance of fifty (50) feet which light shall be kept burning during such time that said vehicle is so parked.

(d) No vehicle shall stop with its left side to the curb and no vehicle in the congested district, except merchants, deliveries, unless in an emergency, shall stop in the street or at the curb for more than five minutes except in the places and manner hereinafter provided. Merchants deliveries may stop on the street or at the curb not to exceed twenty minutes.

(e) The police may mark off parking spaces in the congested district and when this is done vehicles shall be parked in those spaces and within the lines of those spaces and not elsewhere within such district.

ACCIDENTS.

SECTION 8.

(a) In case of accident or collision causing injury to any person or property, the person driving or operating the vehicle shall stop immediately and give his name, residence and any other information demanded, together with the license number of his motor vehicle to the injured person or persons or to others present, and in case of death or serious injury by such accident, he shall immediately report the same to the mayor, police, or to the police judge of said city.

DRIVING AGE.

SECTION 9.

(a) No person under 14 years of age or under the influence of intoxicating liquor or of any stupifying or exhilirating drug shall drive or operate any motor vehicle within said city, and it shall be unlawful for any owner or person in charge of any motor vehicle to permit a person under 14 years of age to drive or operate the vehicle.

SPEED REGULATIONS.

SECTION 10.

(a) No person shall operate or drive any vehicle or animal on any street, alley, park or other public place in said city, at a speed greater than 10 miles per hour at street intersections, railroad crossings, or past schools in school term, and at no greater speed than 15 miles per hour at other places within the congested district, and at no greater speed than 25 miles per hour at other places; and in emerging across any sidewalk from any alley, stable, garage, filling station or other place off the street the speed shall not be greater than 5 miles per hour, and no vehicle shall be operated or driven at any time at a rate of speed greater than is reasonable and proper, having due regard for the traffic upon and use of the street, nor at a rate of speed such as to

endanger the life or limb of any person or the property of another.

STOP SIGNALS.

SECTION 11.

(a) Appropriate stop signals shall be placed in streets near intersections as directed by the Board of Commissioners of the city of Garnett and the drivers of all vehicles upon approaching such stop signals shall bring said vehicle to a complete stop at or near such signal before entering such intersection.

Section 12
" 13

PENALTIES.

Section 12. It shall be unlawful for any person to operate or run any traction engine, road engine, hauling engine, farm tractor, trailer, steam roller, automobile, truck motor or other power vehicle, the face or wheels of which are fitted with flanges, ribs, clamps, cleats, lugs or spikes or are steel, iron or other metal upon any ~~xxxx~~ paved street or alley in the city of Garnett, Kansas, except with planks under the wheels sufficient to keep them from contact with the pavement.

Section 13. That for the purpose of protecting the paved streets and crossings of streets of the city of Garnett, Kansas, it shall be necessary for any person, persons, firm or corporation, before moving or causing to be moved any house, barn or other building, or any iron or metal safe, or any heavy object or material on any paved streets of said city, or across any of the crossings of any streets in said city, to first notify the street commissioner of his or their intention to move such house or safe or such heavy object or material, and shall then follow strictly any and all orders and directions of said street commissioner which in his discretion he shall deem necessary to properly protect such pavement and crossings from injury, and it shall be unlawful for any person, persons, firm or corporation to move or cause to be moved any house, barn or other building, or iron or metal safe or any heavy object or material on any paved street or across any of the crossings of any street without first notifying said street commissioner of such intention to move such house, barn or other building, or iton or metal safe or such other heavy object or material and following such ~~xxxxxx~~ directions and orders of such street commissioner, as above provided.

Section 14. It shall be unlawful for more than two persons to ride on the seat beside the driver or for any driver or chauffer to permit more than two persons to sit on the seat beside the driver of any automobile tractor or truck while the same is being driven or run in the city of Garnett.

PENALTIES.

SECTION 13 14 15 16

(A) Any person who shall violate any of the rules, regulations or provisions of this Ordinance, or who shall operate or drive any vehicle without the same being equipped as required by Section 5 of this Ordinance, or who shall operate or drive any vehicle with or using equipment prohibited by this Ordinance, or who shall be guilty of any other reckless driving or any act or conduct likely to result in injury to persons, or property or whoshall purposely, willfully, or carelessly drive any vehicle against another vehicle or person shall, upon conviction, be fined in any sum not less than $1.00 and not more than $100100 for the first offense, and for the second and subsequent offenses, shall upon conviction, be punished by a fine of not less than $10.00 and not more than $100.00 or by imprisonment in the county jail of Anderson County, Kansas, not more than ninety days, or by both such fine and imprisonment.

(b) It shall be unlawful for any person being twice convicted under this Ordinance other than Section 5, to drive any motor vehicle on any street, alley, or other public place in the city of Garnett, Kansas, within three months after said second conviction, and on conviction thereof, shall be fined in the sum not less than $25.00 and not more than $100.00 or imprisonment in the county jail of Anderson County, Kansas, not to exceed ninety days or both such fine and imprisonment.

(c) Any person convicted shall be committed to jail till the fine and costs assessed against him are paid.

Ordinance No. 981.

An ordinance regulating the handling and selling of milk and milk products in the city of Garnett, Kansas, and providing a penalty for the violation thereof.

Section 1. It shall be unlawful for any person to sell or offer for sale any milk or cream within the city of Garnett, without having previously registered his, her or their names and places of business with the city clerk, in a book provided for that purpose. Each cow from which milk is sold in said city shall be registered, with the proper description and an individual number. No cows shall be registered except those that have been inspected and tested for tuberculosis within one year previous to the registration, by a registered and commissioned veterinarian, and found free from tuberculosis and otherwise healthy and sound, and such cows shall be inspected at least once each year thereafter. The owner shall pay to the city clerk a registration fee of $1.00 for each cow. Said registration fee shall be paid annually. The city clerk shall keep said fees in a special fund, to be used in defraying the expenses of this department.

Section 2. The city clerk shall assign to each dairyman a number, and this number shall be placed on the delivery wagon and cans in plain, readable figures.

Section 3. Any duly-registered and commissioned veterinarian, approved by the board of commissioners of said city of Garnett, is hereby authorized to make an official test for tuberculosis, and said veterinarian shall place a tag on said cow or cows that successfully pass the tests, giving certificate to the owner; disposing of cows that do not pass the tests according to the state law.

Section 4. It shall be unlawful for any person to sell or offer for sale any milk containing a preservative or visible dirty or dark-colored sediment, or any milk to which any water has been added, or any milk which is not the whole, fresh, clean lacteal secretion obtained by the complete milking of one or more healthy cows, properly fed and kept, excluding that obtained within thirty days before and ten days after calving, and which contains not less than 8.5 per cent of solids, not fat, and not less than 3.25 per cent of milk fat. It shall be unlawful to sell or offer for sale any milk or cream which has been drawn or handled by a person suffering from or exposed to any communicable disease.

Section 5. Cream is that portion of milk, rich in butterfat, which arises to the surface of milk on standing, or is separated from it by centrifugal force, is fresh and clean and comes from milk which has been obtained from healthy cows, properly fed and kept, excluding that obtained thirty days before or ten days after calving, and contains not less than eighteen per cent of milk-fat, and contains no preservatives or other foreign substances. Whipping cream shall contain not less than thirty per cent of milk-fat.

Section 6. Pasteurized milk shall be fresh, whole milk, as hereinbefore defined, which, until Pasteurization, contains not to exceed 5000,000 bacteria per cubic centimeter, and after Pasteurization, not to exceed 30,000 bacteria per cubic centimeter. Pasteurization consists of heating the milk to a temperature of 145 degrees F., and holding it at that temperature for at least thirty minutes, and immediately cooling it to 50 degrees F. or below.

Section 7. It shall be unlawful for any keeper, proprietor or employee of a hotel, restaurant, boarding house or lunch counter to serve or place before his guests or boarders any milk which fails to conform to the standards herein defined, unless a placard bearing the words "Skimmed Milk Served Here", in plain, black letters, not less than four inches high, is posted in a conspicuous place.

Section 8. All pails, cans, bottles or any other utensils, vessels or packages used in the production, sale, keeping or delivery of milk, cream or their products shall be thoroughly washed each time they are used, and after such washing, shall be sterilized with live steam or boiling water, or by a combination with one of these, with such chemical process as may be approved by the milk inspector, before being used again. All such milk utensils and containers shall, after cleaning and sterilizing, be stored in a sanitary place, where they can be kept free from dust, flies or other contaminating influences, until used. Milk shall be cooled to a temperature of fifty (50) degrees F. or lower immediately after milking, and kept at that temperature until delivered to the consumer. It shall be unlawful to bottle milk or cream from other containers or transfer milk from one receptacle to another while en route.

Section 9. Any person in the city of Garnett receiving milk or cream for sale shall keep said products in a clean, well-ventilated and sanitary place, and it shall be the duty of such persons to thoroughly cleanse all milk or cream receptacles and utensils as soon as empty. It shall be unlawful for general stores to sell, offer for sale, or have in their possession, with intent to sell, milk or cream in any but closed containers, and such containers must not be opened within such stores; or for any retailers of milk or other person, firm or corporation to have for sale, milk or cream on any street in any but closed containers, and such containers must not be opened for the delivery of cream or milk, or for any purpose other than procuring samples by the food inspector. Milk bottles, milk cans or other milk utensils shall not be used for any other purpose than for containing or handling milk and milk products.

Section 10. The city board of health, with the consent of the mayor and commissioners, shall appoint a milk inspector, who shall receive such compensation as the governing body of the city of Garnett shall determine, and shall hold office until his successor is appointed and confirmed by the board of health and city commission. This city milk inspector shall inspect all premises of dairies furnishing milk to the city of Garnett at least once a month and as often as he deems necessary, and this inspector shall have authority to prohibit the sale of milk from any dairy in which cows are kept in an unsanitary condition or poorly-ventilated stable, or produced from cows not kept clean; or in which the milk is stored in an unsanitary place, or milk kept and delivered in vessels not properly cleaned. The city milk inspector shall have the power to enter, without previous notice, any dairy, milk depot, milk sales room, or any place where milk or cream is kept or sold, and take such amount of milk as will prove a sufficient sample for the necessary tests. The city milk inspector shall report to the board of commissioners, from time to time, any violation of this ordinance or failure to comply therewith, and the board of commissioners may at any time, without previous notice, cancel the registration certificate of any person who shall violate or fail to comply with any of the provisions of this ordinance or with any reasonable order of the city milk inspector.

Section 11. The city board of health of the city of Garnett is hereby empowered to make such other necessary rules and regulations for the enforcement of this ordinance.

Section 12. Any person violating any of the provisions of this ordinance or the rules and regulations promulgated by the board of health of the city of Garnett provided by this ordinance, shall be deemed guilty of a misdemeanor, and, upon conviction thereof, shall be punished by a fine of not less than ten dollars ($10.00) or more than one hundred dollars ($100.00), and costs of prosecution, and confined in the city jail until such fines and costs are paid.

Section 13. This ordinance shall take effect and be in force thirty days from and after its publication in the official city paper.

Passed and approved this 18th day of April, 1927.
