

Brighton Park at Greenbrier Condominium Association Committee Candidate Application

The function of each committee is to be sensitive to homeowner concerns within the committee's scope and to be a liaison for contractors and vendors when authority is delegated by the Board and in collaboration with the manager. Each committee shall conduct its business in the best interest of the Association, help build an inclusive community at large, and in accordance with applicable governing documents, committee charters, applicable laws, and subject to the authority of the Board. The committee has no authority to speak on behalf of the Association or to commit Association funds without prior Board approval.

Mobile Phone: _____

Part 2: Committee Interest

Please select your area of interest.

Architecture Review Board (ARB)

Provides architectural review support to the Board, ensuring that Brighton Park common elements maintain a consistent appearance and provides guidance to homeowners to comply with governing documents. Candidates will ideally have a mechanical or engineering background.

Social

Creates, promotes, and facilitates social and recreational events to the community at large. Candidates will ideally have a social mindset and be comfortable working with vendors and stakeholders on events and festivals catering to a variety of interests.

Web site

Ensures the posting of effective, ethical and informational material promoting Board authorized messages, projects, communication channels, and homeowner resources. Candidates will ideally have a communications background.

Landscaping

Makes recommendations to the Board and manager concerning common elements related to landscaping issues and concerns. Candidates will ideally be comfortable working directly with the landscape vendor, coordinating Board approved contracts and Board requests.

Pools

Makes recommendations to the Board concerning the pools and ensures the pool vendor can properly address safety concerns. Candidates will ideally be comfortable working directly with the pool vendor, coordinating staffing and decisioning.

Part 3: Statement & Acknowledgment

Written statement describing your qualifications and experience as it pertains to the committee you are applying:

I understand the function of each committee is to be sensitive to homeowner concerns within the committee's scope and to be a liaison for contractors and vendors within scope. I understand that if selected, I have no authority to speak on behalf of the Association or to commit Association funds without prior Board approval.
