Junior A League - Grades 5 and 6

2018 Season - Approved April 3, 2017 – Revised April 2018

### **2018 Season Highlights**

Continuing important initiative this year is to keep games moving. In the league rules, we have highlighted USA Softball rules which are designed for pace of game improvements. We have instructed the umpire board to use good judgement in enforcing these rules, but to keep them in mind if there are delays between innings or getting play started or restarted. Coaches bear most of the responsibility for keeping things moving, therefore, here are some suggestions:

- Use a courtesy runner for the catcher when there are 2 outs.
- When the catcher is not on base, at bat, or on deck, she should have all of her gear on and be ready to take the field.
- If a catcher is not ready when the offensive half inning ends, make sure a coach or other CORI'd adult assists the catcher in getting ready.
- During the offensive half inning, all players going to the field on defense in the next half inning should be told of their position before the 2<sup>nd</sup> out or well before the run limit is reached.

Roster rules for 2018 include a modified call up/over process. If a team will have fewer than 10 players and the coach is aware of this ahead of the game, players may be called up from a Junior B team so that the roster does not exceed 12 players. If call ups are not available, there are now commissioners for each league/level who must be contacted to facilitate "call overs" from another team at the same level. It is preferred that added player(s) do not pitch in the game, however, if both coaches agree, it is permitted.

There is a 4 run limit for all innings with the exception of the last inning, which is either the 6<sup>th</sup> inning or the declared last inning by the umpire due to the time limit being close. The time limit has 2 parts: no inning may start after 1:45 has passed; the game is over when 2:00 is reached. If the 2:00 time is reached and an inning has not ended (top and bottom), the score reverts to the previous completed inning.

4 steals are permitted per inning, 1 may be of home. No stealing when the offensive team has a 6 or greater run lead. A 2 base walk is permitted once per inning.

The infield fly is not in effect for Junior A.

Batters may not advance to 1<sup>st</sup> base on a dropped 3<sup>rd</sup> strike: she is out.

Safety considerations: No jewelry is permitted on players participating in the game. This includes, earrings, other piercings, rings, necklaces, bracelets (including cloth). No taping of jewelry is permitted. Umpires have been instructed to remove players from the game for this. If they remove the jewelry, they may return.

Batting helmets are no longer required to have chin straps. Chin straps are permitted, but not required.

Fielding masks are not required, but we recommend use of these for pitchers and infielders. We do have some available in the shed at Walsh for use during games.
