WHEREAS, this Deed Restriction Violation Hearing Policy is applicable to the Subdivision and Association; and

WHEREAS, all terms used herein that are defined in Chapter 209 of the Texas Property Code shall have the meaning as defined in the statute; and

WHEREAS, Section 209.007 of the Texas Property Code was amended to provide additional hearing procedures that a property owners association must follow when enforcing deed restriction violations for which an owner is entitled to an opportunity to cure the violation;

WHEREAS, to the extent this policy conflicts with any existing governing document or dedicatory instrument of the Association or Subdivision, this Policy controls over such provision. To the extent any existing governing document or dedicatory instrument does not conflict with this policy, such provision remains in full force and effect; and

WHEREAS, this Dedicatory Instrument constitutes Restrictive Covenants as those terms are defined by Texas Property Code §202.001, et. seq, and the Association shall have and may exercise discretionary authority with respect to these Restrictive Covenants;

NOW THEREFORE, in view of the foregoing and in compliance with the Texas Property Code, the Association hereby adopts and imposes on the Subdivision and the Association the following policies, rules, and regulations:

1. If an owner is entitled to an opportunity to cure a violation, the owner has the right to submit a written request for a hearing to discuss and verify facts and resolve the matter in issue before the board of the property owners' association.

2. An owner desiring a hearing must request a hearing on or before the 30th day after the date the notice of violation and right to a hearing was mailed to the owner. Any owner that does not request a hearing within thirty (30) days of receiving certified notice of owner’s deed restriction violation will not be entitled to a hearing.

3. An owner shall request such a hearing in writing, either by mail, electronic mail or hand delivery. Such request must be delivered to the Association's address or electronic mail address provided on the most recently filed management certificate.
4. The association shall hold a hearing under this section not later than the 30th day after the date the board receives the owner's request for a hearing.
5. The Association shall notify the owner of the date, time, and place of the hearing not later than the 10th day before the date of the hearing.
6. The board or the owner may request a postponement, and, if requested, a postponement shall be granted for a period of not more than 10 days. Additional postponements may be granted by agreement of the parties.
7. The owner or the association may make an audio recording of the meeting.
8. The notice and hearing provisions of this policy do not apply if the association files a suit seeking a temporary restraining order or temporary injunctive relief or files a suit that includes foreclosure as a cause of action.
9. The notice and hearing provisions of this policy do not apply to a temporary suspension of a person's right to use common areas if the temporary suspension is the result of a violation that occurred in a common area and involved a significant and immediate risk of harm to others in the subdivision. The temporary suspension is effective until the board makes a final determination on the suspension action after following the procedures prescribed by this policy.
10. Not later than 10 days before the association holds a hearing under this section, the association shall provide to an owner a packet containing all documents, photographs, and communications (not to include any attorney-client privileged communications) relating to the matter the association intends to introduce at the hearing.
11. If an association does not provide a packet within the designated period, an owner is entitled to an automatic 15-day postponement of the hearing.
12. During a hearing, a member of the board or the association's designated representative shall first present the association's case against the owner. An owner or the owner's designated representative is entitled to present the owner's information and issues relevant to the appeal or dispute.
13. All hearings will be held in private.

NORTHSHIRE MAINTENANCE FUND, INC.
LARGE CONTRACT BID SOLICITATION POLICY

STATE OF TEXAS §
 §
COUNTY OF HARRIS §

WHEREAS, Northshire Maintenance Fund, Inc., a Texas nonprofit corporation (the “Association”), is the governing entity for Northshire, Sections 1 and 2, additions in Harris County, Texas, according to the maps or plats thereof, recorded in the Map Records of Harris County, Texas, under Clerk’s File Nos. D384456 (Volume 180, Page 100) and D640716 (Volume 194, Page 112), respectively, along with any amendments and replats thereto, and any additional property brought within the jurisdiction of the Association in the future (the “Subdivision”); and

WHEREAS, this Large Contract Bid Solicitation Policy is applicable to the Subdivision and Association; and

WHEREAS, all terms used herein that are defined in Chapter 209 of the Texas Property Code shall have the meaning as defined in the statute; and

WHEREAS, Section 209.0052 of the Texas Property Code was amended to require that property owners associations establish a bid process for any proposed contract for services that will cost more than \$50,000.00;

WHEREAS, to the extent this policy conflicts with any existing governing document or dedicatory instrument of the Association or Subdivision, this Policy controls over such provision. To the extent any existing governing document or dedicatory instrument does not conflict with this policy, such provision remains in full force and effect; and

WHEREAS, this Dedicatory Instrument constitutes Restrictive Covenants as those terms are defined by Texas Property Code §202.001, et. seq, and the Association shall have and may exercise discretionary authority with respect to these Restrictive Covenants;

NOW THEREFORE, in view of the foregoing and in compliance with the Texas Property Code, the Association hereby adopts and imposes on the Subdivision and the Association the following policies, rules, and regulations:

If the Association proposes to contract for services that will cost more than \$50,000.00, it shall solicit bids or proposals for such services contract as provided below. If a bid or proposal is from a board member or related person or entity as defined by Texas Property Code 209.0052, the additional procedures provided by Property Code 209.0052 will be applicable.

1. The following criteria apply to determine whether a services contract will cost more than \$50,000.00:

- a. The bid process is applicable to service contracts which upon execution of the agreement obligates the Association to pay more than \$50,000.00 during the term of the contract.
 - b. The ability of the Association to terminate a services contract without cause prior to incurring costs in excess of \$50,000.00, does not relieve the Association of the obligation to follow the bid process of this policy if the contract is for a stated term and the total cost of the contract during that initial term is greater than \$50,000.00.
 - c. Amounts under a services contract that are contingent are not included in determining the amount the contract will cost. Costs under a services contract which are unfixed, but certain, shall be estimated to the best of the Association's ability.
 - d. Amounts that may be incurred in the future under a services contract such as would occur upon the renewal of the contract are not to be included in determining the amount the contract will cost. The renewal of an existing contract is not subject to this policy.
2. A proposed services contract that will cost more than \$50,000.00 shall be awarded using the following process:
- a. The Association shall attempt to obtain a total of three bids or proposals from contractors for the services desired;
 - b. Contractors providing bids or proposals should be insured against liability, have experience providing the desired services, and licensed where required by law;
 - c. If after diligent attempts are made to obtain the three bids or proposals, the Association is unable to obtain three bids or proposals from contractors, the Board may consider the proposals obtained and award the contract;
 - d. The Association may determine on a case by case basis the specific steps it will use to contact potential contractors and solicit bids or proposals. However, in all cases at least three contractors shall be contacted and bids or proposals solicited. In the event there are not three qualified contractors for a particular service in the market area, the association may limit the process to those contractors that are qualified.
 - e. In the case of emergencies, the Association may employ a contractor to best resolve the emergency without following the bid/proposal process.
 - f. The Board is not obligated to award contracts to the low bidder but must use due diligence in considering all relevant factors regarding the contractor and their proposal.
