# ***Look Forward to More Lincoln Democratic Club Action In 2019***

***We Want To Know What You Think***

## ***Club Survey***

The EBoard and committee chairs want your input on club programs and activities for next year. Look for a **short survey** arriving by email in **January**. Your ideas and comments are much appreciated!

---

## ***Program Committee***

Our awesome program committee has lined up Hilary Crosby, President of the California Democratic Council as our guest speaker. February's meeting will feature Marcos Breton and Jack Ohman of the Sacramento Bee, both special favorites of ours. In March we will hear from a group of local students who traveled to Washington DC to attend the March For Our Lives and we are all set to rally the fans at a Potter's baseball game.

## ***SERVICE TEAM Serving the Community***

The Service Team will continue their great work supporting the Placer Food Bank. Be sure to watch for the 2019 schedule and join in to help. Also reply to the survey and recommend any other service opportunities you feel would be appropriate for our club to support with our great volunteer team.

## ***Happy New Year from your Lincoln Democratic Club Executive Board Officers and Committee Chairs***

***We wish you a happy and healthy 2019. Thank you all for your participation with our club in 2018. We worked hard, saw a wonderful enthusiasm in volunteerism and a growth in membership in our club, which allowed us to support our local candidates. Democrats across the country had a successful Blue Wave and our terrific candidates did very well toward closing the gap in this Red District.***

***Rest well. We still have work to do.***
