

A special pool fundraising meeting of the Beardstown Park District board of commissioners was held on May 10, 2017 at the Schewe Community Center at 12:00 pm. President Kight called the meeting to order and roll was taken. Commissioners present included Larry Kight, Bob Schaefer, Travis Schroll and Becky Jones. Also in attendance were Park Director Jason Brockschmidt and Attorney T.J. Wessel

The board reviewed an introductory letter and an initial brochure designed by Mr. Ekert and Director Brockschmidt that will be sent to all pool donation prospects. They then discussed how to use the upcoming Alumni Weekend in our fundraising efforts deciding the following: try to include the brochure in the Alumni Banquet's program, have Director Brockschmidt speak at the alumni banquet and contact each class president having a party this year and ask them to help us pass out the brochures to all who attend each class party. The board then began going through the prospect list and grading (deciding if a personal follow up call would be needed after the letter is sent) and assigning all those prospects who need a follow up call.

The meeting adjourned at 1:30 p.m. on a motion by Mr. Schroll and a second by Mrs. Jones.
