### **The Big Ticket Drawing**

The ticket stub from all tickets sold will be placed into a tumbler. We will randomly select one ticket stub at a time from the tumbler. We will announce the number on the ticket stub we select. That number will be displayed in reverse chronological order from 100 to 1 on an overhead screen at the front of the room. Numbers drawn will be announced. If your number corresponds to one of the winning positions, you win a dollar value. Numbers will continue to be drawn until there is one remaining ticket. This last ticket drawn will be the Grand Prize Winning ticket worth \$ 2,500. You do not have to be present to win one of the Cash Prizes or Gift Certificates. For your convenience, each time a number is eliminated from the drawing, we will display that number on an overhead screen at the front of the room. The Mohnton-Cumru Lions Club reserves the right to increase the number of ticket sales beyond 100. For every additional ten tickets sold over 100, at least one additional \$ 100. prize will be added to the above list. Sorry no refunds. All Mohnton-Cumru Lions Club Big Ticket Committee decisions are final. There are over 25 prizes valued from \$ 25 to \$ 2,500. All proceeds from this Fundraiser benefit local Lions Club Charities. A complete list of these charities and benefits can be viewed the evening of the event, or by visiting, [www.mohntoncumrulions.org](http://www.mohntoncumrulions.org).
