Counselor in Training

Counselors in Training (CITs) are 15-17-year-olds who have volunteered to be a part of the Camp 7 summer staff and take on beginning counselor tasks. Counselors in Training will work together with fellow CITs to assist in task-oriented areas such as program set-up and clean-up, snack preparation, small group games and more. CITs will also be involved in programming and given the opportunity to create and lead their very own activity. Being a Counselor in Training will give teens a preview into the everyday life of a camp counselor. CITs will have the opportunity to mentor giving them a sense of responsibility and leadership that will benefit them greatly moving forward as young adults.

Counselor in Training positions are available to those with a strong interest in working with children and are willing to assist in supervising Junior Counselors. We are looking for responsible, motivated young adults that are able to take direction and show respect towards staff and leadership. Counselors in Training are expected to participate on a daily basis, Monday-Friday. Camp 7 will select no more than two CITs per session.

Cost: \$30 Non-refundable Registration Fee

CITs will be volunteering at Camp 7 - S.O.A.R. at no additional cost. The registration fee covers the cost of a t-shirt and programming fees.

If CITs commit to at least 4 weeks of programming and attend on a daily basis, they will receive a volunteer appreciation gift that will increase in value as the number of weeks increase.

Please complete the following application to be considered for this position.
